### BACKGROUND.

Pursuant to the Credit Agreement dated as of December 20, 2016 (such agreement, together with all amendments and restatements thereto, the "Credit Agreement"), between Grantor and Secured Party, Secured Party has extended a commitment to make a Term Loan to Borrower;

In connection with the Credit Agreement, Grantor has executed and delivered the Security Agreement dated as of December 20, 2016 (such agreement, together with all amendments and restatements thereto, the "Security Agreement");

As a condition precedent to the making of the Term Loan under the Credit Agreement, Grantor is required to execute and deliver this Agreement and to grant to Secured Party a continuing security interest in all of the Trademark Collateral (as defined below) to secure all Indebtedness; and

Grantor has duly authorized the execution, delivery and performance of this Agreement.

### AGREEMENT.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce Secured Party to make the Term Loan pursuant to the Credit Agreement and to extend credit to or for the benefit of Grantor, Grantor agrees, for the benefit of Secured Party as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided (or incorporated by reference) in the Security Agreement.

"Trademark License" means any agreement, now or hereafter in effect, granting to any third party any right to use any Trademark now or hereafter owned by Grantor or which Grantor otherwise has the right to license, or granting to Grantor any right to use any Trademark now or hereafter owned by any third party, and all rights of Grantor under any such agreement.

"Trademarks" means (a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, all registrations and recordings thereof, and all registration and recording applications filed with any governmental authority in connection therewith, and all extensions or renewals thereof, (b) all goodwill associated therewith or symbolized thereby, (c) all other assets, rights and interests that uniquely reflect or embody such goodwill, and (d) all rights to use and/or sell any of the foregoing.

Grant of Security Interest. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, to secure all of the Indebtedness, Grantor does hereby mortgage, pledge and hypothecate to Secured Party, and grant to Secured Party a security interest in all of the following property (the "Trademark Collateral"), whether now owned or hereafter acquired by it:

all Trademarks, including all Trademarks referred to in Item A of Attachment 1 attached hereto;

all applications for Trademarks, including each Trademark application referred to in Item B of Attachment 1 attached hereto; and

all Trademark Licenses, including all Trademark Licenses referred to in Item A of Attachment 1 attached hereto; and

all proceeds and products of the foregoing, including, without limitation, insurance payable by reason of loss or damage to the foregoing.

Security Agreement. This Agreement has been executed and delivered by Grantor for the purpose of registering the security interest of Secured Party in the Trademark Collateral with the United States Patent and Trademark Office and corresponding offices in the United States and any state thereof. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to Secured Party under the Security Agreement. The Security Agreement (and all rights and remedies of Secured Party thereunder) shall remain in full force and effect in accordance with its terms.

Acknowledgment. Grantor does hereby further acknowledge and affirm that the rights and remedies of Secured Party with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.
