RECITALS

A. The Grantor is a party to an Amended and Restated Pledge and Security Agreement dated as of September 21, 2016 (the "Security Agreement") among the Grantor and the other grantors from time to time party thereto and the Administrative Agent pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantor hereby agrees with the Administrative Agent, as follows:

Section 1. Defined Terms. Unless otherwise defined herein, capitalized terms have the meaning given to them in the Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral.

(a) The Grantor hereby grants to the Administrative Agent for the ratable benefit of the Secured Parties, a security interest in all the following property of Grantor, in each case, wherever located and whether now owned or at any time hereafter acquired by Grantor or in which Grantor has or at any time in the future may acquire any right, title and interest (collectively, the "Trademark Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration, or otherwise) of Grantor's Secured Obligations:

(i) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, designs and other source or business identifiers, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country, union of countries, or any political subdivision of any of the foregoing, or otherwise, and all common-law rights related thereto, including any of the foregoing listed on Schedule 1 hereto;

- (ii) the right to, and to obtain, all renewals thereof;
- (iii) the goodwill of the business connected with the use of and symbolized by the foregoing;
- (iv) all proceeds of the foregoing, including, but not limited to, licenses, royalties, income, payments, claims and damages;
- (v) general intangibles of a like nature; and
- (vi) the right to sue for past, present and future infringements or dilution of any of the foregoing or for any injury to goodwill, and all proceeds of the foregoing, including royalties, income, payments, claims, damages and proceeds of suit.

(b) Notwithstanding anything herein to the contrary, (i) Grantor shall remain liable for all obligations under and in respect of the Trademark Collateral and nothing contained herein is intended or shall be a delegation of duties to the Administrative Agent or any other Secured Party, (ii) Grantor shall remain liable under each of the agreements included in the Trademark Collateral, and neither the Administrative Agent nor any other Secured Party shall have any obligation or liability under any of such agreements by reason of or arising out of this Trademark Security Agreement or any other document related hereto nor shall the Administrative Agent nor any other Secured Party have any obligation to make any inquiry as to the nature or sufficiency of any payment received by it or have any obligation to take any action to collect or enforce any rights under any agreement included in the Trademark Collateral, and (iii) the exercise by the Administrative Agent of any of its rights hereunder shall not release Grantor from any of its duties or obligations under the contracts and agreements included in the Trademark Collateral.

Section 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent for the Secured Parties pursuant to the Security Agreement and Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
