TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (the “**Assignment**”) is made effective as of December 23, 2016 (the “**Effective Date**”), by and between Allied OFS, LLC, a Delaware limited liability company (“**Assignor**”), and BJ Allied Newco, LLC, a Delaware limited liability company (“**Assignee**”). Assignor and Assignee are sometimes referred to herein individually as a “**Party**” and collectively as the “**Parties**.” Capitalized terms used but not defined herein shall have the meaning ascribed to such terms in the Contribution Agreement (as defined herein).

RECITALS:

WHEREAS, Assignor is the owner of its respective rights, if any, in, to and under the trademarks and applications therefor identified on Schedule A hereto in the jurisdictions set forth therein, including common law rights and all other related filings and rights (collectively, the “**Assigned Trademarks**”); and

WHEREAS, pursuant to the Contribution Agreement, dated as of November 29, 2016 among Baker Hughes Oilfield Operations, Inc., Allied Completions Holdings, LLC and the other parties thereto (the “**Contribution Agreement**”), Assignor is assigning to Assignee all of Assignor’s right, title and interest, if any, in, to and under the Assigned Trademarks.

NOW, THEREFORE, for good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, subject to the Contribution Agreement, the Post-Closing LLC Agreement (as defined in the Contribution Agreement) and the Intellectual Property License Agreement (as defined in the Contribution Agreement), and in consideration of the mutual agreements, provisions and covenants contained in this Assignment, the Parties, intending to be legally bound, hereby agree as follows:

1. Conveyance. Assignor hereby sells, assigns, transfers, and conveys to Assignee its entire right, title and interest in, to and under (a) the Assigned Trademarks, including any and all goodwill associated with the use thereof or symbolized thereby, (b) all renewals and extensions thereof, (c) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing, and (d) the right to sue for and to recover damages and other remedies, if any, in respect of any past, present or future infringement, dilution or other unauthorized use of the Assigned Trademarks.

2. Issuance and Recordation. Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States or the Registrar of Trademarks of Canada, as applicable, to issue any and all Assigned Trademarks to Assignee, its successors and assigns, in accordance with the terms of this Assignment. Assignor hereby requests the Commissioner of Patents and Trademarks or the Registrar of Trademarks, as applicable, to record Assignee as the assignee and owner of the Assigned Trademarks. Assignee shall have the right to record this Assignment with all applicable government authorities and registrars in the United States and Canada so as to perfect its ownership of the Assigned Trademarks.

3. Disclaimer. Except as otherwise expressly set forth in the Contribution Agreement or this Agreement, the Assigned Trademarks sold, assigned, transferred and conveyed under this Agreement are provided "AS IS." Except as otherwise expressly set forth in the Contribution Agreement or this Agreement, Assignor does not make any representations of any kind nor extend any warranty of any kind with respect to any of the Assigned Trademarks, either expressly or implied.

4. No Modification. Nothing contained in this Assignment is intended to or shall be deemed to modify, alter, amend or otherwise change any of the rights or obligations of Assignee or Assignor under the Contribution Agreement, the Post-Closing LLC Agreement or the Intellectual Property License Agreement or any other agreement entered into by the Parties or any of their Affiliates. Without limiting the foregoing, in the event and to the extent that there shall be a conflict between the provisions of this Assignment and the provisions of the Contribution Agreement, the Post-Closing LLC Agreement or the Intellectual Property License Agreement, the Contribution Agreement, the Post-Closing LLC Agreement or the Intellectual Property License Agreement shall control.

5. Successors and Assigns. This Assignment shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns.

6. Counterparts. This Assignment may be executed in one or more counterparts, each of which shall be deemed an original, and all of which shall constitute one and the same agreement and shall become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Party, it being understood that both Parties need not sign the same counterpart.

7. Interpretation. The Article and Section headings contained in this Assignment are solely for the purpose of reference, are not part of the agreement of the Parties and shall not in any way affect the meaning or interpretation of this Assignment.

8. Further Assurances. Assignor shall, at Assignee's sole cost and expense, if reasonably requested by Assignee or the successors or assigns of Assignee, execute, acknowledge and deliver, or cause to be executed and delivered to Assignee or its successors or assigns such and all further acts, transfers, assignments, transfer documents, trademark office instruments and documents, powers of attorney, assurances of title and additional papers and instruments that may be necessary and reasonably requested to carry out the intent hereof and to vest in Assignee such Assignor's right, title and interest, if any, in and to the Assigned Trademarks and all goodwill or intangible benefits associated therewith whether in the United States or Canada.

9. Governing Law. This Assignment shall be governed by and construed in accordance with the laws of the State of Delaware, regardless of the Applicable Law that might otherwise govern under applicable principles of conflicts of laws thereof. Each Party hereby irrevocably (a) consents to the exclusive jurisdiction and venue of any court within the State of Delaware, in connection with any matter based upon or arising out of this Assignment or the matters contemplated herein; (b) agrees that process may be served upon it in any manner authorized by the laws of the State of Delaware for such Person; and (c) waives and covenants

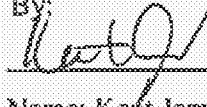

not to assert or plead any objection which it might otherwise have to such jurisdiction, venue and process. Each Party shall not commence any legal proceedings related hereto except in such courts.
