AGREEMENT

NOW, THEREFORE, in consideration of the foregoing premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. **Assignment.** Assignors hereby sell, assign, convey and transfer to Assignee, and Assignee hereby purchases, acquires, accepts and assumes from Assignors, Assignee's worldwide right, title and interest in, to and under the trademark and/or service mark registrations and applications identified on **Exhibit A** attached hereto, including, without limitation, any and all common law rights thereto, as well as the goodwill of the Business symbolized thereby (collectively, the "**Trademarks**"), together with Assignors' worldwide right to police, monitor and enforce said Trademarks against any and all past and current infringements (including, without limitation, the right to sue for and collect damages caused by any such infringement) which may have occurred at any time in the unlimited past, up to the date of this Agreement, together with any and all further privileges in the United States and throughout the world to establish use, ownership and/or registration of the Trademarks.

2. **Authorization.** Each Assignor hereby authorizes the Commissioner of Patents and Trademarks (and the equivalent authority in foreign patent and/or trademark offices) to record this Agreement and transfer the Trademarks to Assignee as assignee of the entire right, title and interest therein or otherwise as Assignee may direct, in accordance with this instrument of assignment.

3. **Further Assurances.** From time to time hereafter, and without further consideration, Assignors and their successors and permitted assigns covenant and agree that Assignors and their successors and permitted assigns shall execute and deliver, or shall cause to be executed and delivered, such other instruments of transfer and conveyance and other documents and take such other actions as Assignee or any of its successors or assigns may reasonably request to fully vest in Assignee all of each Assignor's direct or indirect right, title and interest in, to and under all of the Trademarks in accordance with the foregoing.

4. Terms of the Purchase Agreement. This Agreement is executed and delivered pursuant to the Purchase Agreement. In the event of a conflict between the terms and conditions of this Agreement and the terms and conditions of the Purchase Agreement, the terms and conditions of the Purchase Agreement shall govern, supersede and prevail. Notwithstanding anything to the contrary in this Agreement, nothing herein is intended to, nor shall it, extend, amplify or otherwise alter any representation, warranty, covenant or obligation contained in the Purchase Agreement.

5. Governing Law. This Agreement shall be construed, performed and enforced in accordance with, and governed by, the Laws of the State of Delaware (without giving effect to the principles of conflicts of laws thereof), except to the extent that the Laws of such State are superseded by the Bankruptcy Code or other applicable federal Law.

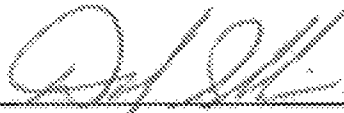

6. Counterparts. This Agreement may be executed in two or more counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to each other party.
