TRADEMARK ASSIGNMENT

This Trademark Assignment ("Assignment") is made by and between **Cooper Valves, LLC**, a Texas limited liability company with an address at 4659 Wright Road, Suite 100, Stafford, Texas 77477-4137 (hereinafter "ASSIGNOR") and **Forum Severe Service Valves LLC**, a Texas limited liability company with an address at 920 Memorial City Way, Suite 1000, Houston, Texas 77024 (hereinafter the "ASSIGNEE")

WHEREAS, ASSIGNOR is the owner of the trademark registrations and trademark applications for the trademarks listed in Exhibit A, attached hereto ("the Trademarks").

WHEREAS, ASSIGNEE is purchasing all of the assets of ASSIGNOR, including the Trademarks, pursuant to an Asset Purchase Agreement dated January 9, 2017 ("the APA");

WHEREAS, ASSIGNOR desires to convey, transfer, assign, deliver, and contribute to ASSIGNEE all of its right, title, and interest in and to the Trademarks in the United States and throughout the world including the corresponding registrations and application in the United States and China and all good-will associated with the Trademarks throughout the world; and

WHEREAS, ASSIGNEE desires to acquire all worldwide right, title and interest in and to the Trademarks and the applications and registrations, including all good-will associated therewith;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are acknowledged, including the payments made to ASSIGNOR pursuant to the APA, ASSIGNOR hereby conveys, transfers, assigns, delivers, and contributes to ASSIGNEE all of ASSIGNOR'S right, title, and interest throughout the world of whatever kind in any jurisdiction in and to the Trademarks, together with (1) the goodwill of the business relating to the goods with which the Trademarks are used and if applicable, for which the Trademarks are registered; (2) all income, royalties, and damages hereafter due or payable to ASSIGNOR with respect to the Trademarks, including without limitation, damages, and payments for past or future infringements, dilution, and misappropriations of the Trademarks; and (3) all rights to sue for past, present and future infringements, dilutions, or misappropriations of the Trademarks, the same to be held and enjoyed by ASSIGNEE as fully and entirely as said interest could have been held and enjoyed by ASSIGNOR had this sale, assignment, transfer and conveyance not been made.

ASSIGNOR further covenants that it will execute all documents, papers, forms and authorizations and take all other actions that may be necessary for securing, completing, or vesting in ASSIGNEE full right, title, and interest in the Trademarks.

ASSIGNOR authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and in any applicable jurisdictions outside the United States, including, but not limited to, the People's Republic of China, to record the transfer of the registrations and/or applications for registration set forth above to ASSIGNEE as assignee of ASSIGNOR'S entire right, title and interest therein. ASSIGNOR agrees to further execute any documents reasonably necessary to effect this assignment or to confirm ASSIGNEE's ownership of the Trademarks.

This Assignment may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts taken together shall constitute one and the same instrument. Each counterpart may be delivered by facsimile transmission, which transmission shall be deemed delivery of an originally executed document.
