CONFIRMATION OF ASSIGNMENT

This Confirmation of Assignment is made and effective the 16th day of January, 2017, by and between:

IMPCO TECHNOLOGIES (CANADA) LLC, a limited liability company formed under the laws of the State of Delaware having a registered office at 1209 Orange Street, Wilmington, DE 1980, United States of America (the "Assignor"), and

WESTPORT POWER INC., a company incorporated under the laws of the Province of British Columbia having a place of business at 101-1750 West 75th Avenue, Vancouver, BC, V6P 6G2, Canada ("Assignee").

For good and valuable consideration, the receipt and sufficiency of which Assignor accepts and acknowledges, and for the purpose of recording this Confirmation of Assignment in the governmental offices having jurisdiction over the patents and patent applications and trademark registrations to which this Confirmation of Assignment pertains:

Assignor confirms having assigned, and to the extent necessary does hereby assign, the patents and patent applications set out in the attached Schedule A, including any reexaminations, extensions and reissues thereof and any divisionals, continuations, continuation-in-parts and any other applications or patents that claim priority from such patents and applications, including, without limitation, any foreign applications or patents corresponding thereto. Assignor further confirms having assigned, and to the extent necessary does hereby assign to Assignee the priority rights provided by International Convention, together with the right to sue and recover for past, present and future infringement of the patents presently in effect and those granted on the patent applications set out in attached Schedule A.

Assignor confirms having assigned, and to the extent necessary does hereby assign, the trademarks and registrations therefore set out in the attached Schedule B together with the goodwill of Assignor associated with and symbolized by such trademarks. Assignor further confirms having assigned, and to the extent necessary does hereby assign to Assignee the priority rights provided by International Convention,

together with the right to sue and recover for past, present and future infringement of the trademarks set out in attached Schedule B.

The undersigned hereby authorizes the firm of Lawson Lundell LLP to correct errors in this Confirmation of Assignment or to insert any further identification or other information necessary or desirable to make this Confirmation of Assignment suitable for recordal throughout the world.

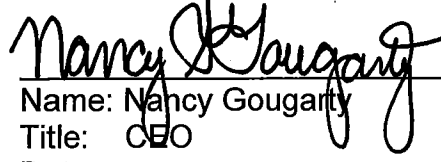

[remainder of page intentionally left blank]

IN WITNESS WHEREOF the parties have executed this Confirmation of Assignment to be effective as of the date set forth above.
