**TRADEMARK ASSIGNMENT**

**THIS TRADEMARK ASSIGNMENT** (this “Assignment”) is entered into as of February 28, 2017, by and between Lynn Chenoweth (“Assignor”) to and in favor of Roll-Rite LLC, a Delaware limited liability company (“Assignee”), pursuant to that certain Stock and Asset Purchase Agreement, dated as of the date hereof, by and between Assignee and the other parties named therein (the “Purchase Agreement”). Capitalized terms used herein and not otherwise defined herein shall have the meaning ascribed to such term in the Purchase Agreement.

Recitals:

A. In accordance with the Purchase Agreement, Assignor desires to transfer to Assignee all of Assignor’s rights in the trademarks, trademark registrations and trademark registration applications set forth on Exhibit A (the “Trademarks”), and Assignee desires to acquire all of Assignor’s entire right, title and interest in and to the Trademarks, together with all goodwill associated with the Trademarks.

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged:

1. Assignor does hereby sell, assign, transfer, convey and set over unto Assignee all rights, title and interest in and to the Trademarks, including the registrations and registration applications therefore and all common law rights and rights in foreign jurisdictions therein, together with all goodwill associated with the Trademarks, including, but not limited to, any and all rights to register and to renew the Trademarks, all rights to sue and recover for past, present and future damages and profits for infringement thereof, and all rights of priority and protection of interests therein under the laws of any jurisdiction worldwide, free and clear of all liens, claims, security interests, and other encumbrances, to have and to hold forever for the sole and exclusive use and benefit of Assignee.

2. As a result of this Assignment, the Trademarks are to be held and enjoyed by Assignee for its own use and enjoyment and the use and enjoyment of its heirs, successors, assigns and legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment, sale, conveyance and transfer had not been made.

3. Assignor further covenants and agrees that it shall, at any time, upon Assignee’s request, execute and deliver any agreement, document, certificate or instrument, including any documents for transferring the registrations for said Trademarks, and generally do all that is possible or that may be necessary or desirable to perfect the title to the Trademarks in Assignee, its heirs, successors, assigns or other legal representatives.

4. If applicable, Assignor hereby authorizes and requests the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as owner of the Trademarks.

5. The representations and warranties of Assignor applicable to the Trademarks, together with all limitations, restrictions, disclaimers and other provisions thereof, are contained in the Purchase Agreement. THIS ASSIGNMENT DOES NOT, NOR SHALL IT BE DEEMED TO SUPERSEDE, SUPPLANT, EXTINGUISH, MERGE OR EXPAND ANY OF THE REPRESENTATIONS, WARRANTIES, INDEMNITIES OR LIMITATIONS CONTAINED IN THE PURCHASE AGREEMENT.

6. This Assignment shall be binding upon the parties, their successors, administrators, and assigns.

7. This Assignment will be governed by and construed in accordance with the laws of the State of Delaware applicable to agreements made and to be performed entirely within such State, without regard to any conflicts of law principles that would require the application of any other Law.

8. This Assignment may be executed in one or more counterparts, each of which will be deemed an original agreement, but all of which will be considered one instrument and will become a binding agreement when one or more counterparts have been signed by each of the parties and delivered to the other. A facsimile of this document bearing a party's signature or a printed copy of the original, or signed document scanned in .pdf or .tiff format shall have the same legal force and effect as an original of such signature and shall be treated as an original document for evidentiary purposes.

9. The parties represent that they have carefully read this Assignment and have had an opportunity to consult with an attorney. The parties affirmatively state that they understand the contents of this Assignment, and sign this Assignment as their free act and deed.
