OP \$40.00 4127709

TRADEMARK ASSIGNMENT

This Trademark Assignment is effective as of April 10, 2017 by and between **Aeon, Inc.**, a Connecticut corporation having a principal place of business at One Barnes Park South, Wallingford, Connecticut 06492 ("Assignor") and **Proteus Technologies LLC**, a Delaware limited-liability company having a principal place of business at 133 National Business Parkway, Suite 150, Annapolis Junction, Maryland 20701 ("Assignee").

Assignor has adopted, and is, to the best of its knowledge and belief, the owner of the trademark, VIGILANCE®, U.S. Registration No. 4127709, and all other rights appurtenant thereto, including, but not limited to, all common law rights, trade name rights, domain name rights, causes of action, and the right to recover for past infringement (the "Trademark"). Assignor has acquired goodwill in the portion of the business associated with and symbolized by the Trademark and has not abandoned same. Assignor desires to assign to Assignee all rights, title, and interest in and to the Trademark owned by Assignor in exchange for Assignee's payment for the same. Accordingly, Assignor and Assignee hereby agree as follows:

1. In exchange for Assignee's consideration of ten-thousand dollars (USD \$10,000), Assignor hereby conveys, sells, transfers and assigns to Assignee and to Assignee's successors, assigns and legal representatives, all of Assignor's rights, titles and interests throughout the world in and to: (a) the name and mark "VIGILANCE"; (b) United States Trademark Registration No. 4127709; (c) all the good will of that portion of Assignor's business and/or businesses symbolized by the Trademark, together with (i) all income and royalties hereafter due or payable to Assignor with respect to the Trademark, (ii) all damages and payments for past or future infringements and misappropriations of the Trademark; and (iii) all rights to sue for past, present and future infringements or misappropriations of the Trademark, all for Assignee's own use and enjoyment (including, without limitation, the right to renew and/or apply for trademark and/or service mark registrations within or outside the United States based in whole or in part upon the Trademark, and including any priority right that may have arisen from Assignor's use of the Trademark and/or prior ownership of the Registration).
2. Assignor warrants to and covenants with Assignee, and Assignee's successors, assigns and legal representatives, that Assignor has full right to convey the entire rights, titles and interests herein assigned by Assignor to Assignee, and that Assignor has not executed, and will not execute, any agreements which are inconsistent herewith.
3. Assignor agrees to execute any instruments and perform any acts which may be reasonably necessary to fully effectuate and record in any and all jurisdictions throughout the world the assignment of the rights, titles and interests assigned to Assignee, and Assignee's successors, assigns and legal representatives, pursuant to this Assignment.

IN WITNESS WHEREOF, Assignor and Assignee have duly executed and delivered this Assignment as of the date first set forth above.
