TRADEMARK SECURITY AGREEMENT, dated as of April 13, 2017 (this "Agreement"), among Edible Arrangements, LLC, a Connecticut limited liability company (the "Grantor") and Cortland Capital Market Services LLC, as Agent (the "Agent").

Reference is made to (a) the Credit Agreement dated as of April 13, 2017 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement") among Farid Holdings, LLC, a Delaware limited liability company (the "Borrower"), the Lenders from time to time party thereto, and the Agent and (b) the Guaranty and Security Agreement dated of April 13, 2017 (as amended, restated, supplemented or otherwise modified from time to time, the "Guaranty and Security Agreement") among the Borrower, the other grantors from time to time party thereto, and the Agent. The Lenders have agreed to issue the Notes to the Borrower subject to the terms and conditions set forth in the Credit Agreement. The Grantor is an Affiliate of the Borrower and is willing to execute and deliver this Agreement as consideration for Notes previously made. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Guaranty and Security Agreement. The rules of construction specified in Section 1.01(b) of the Guaranty and Security Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full in cash of the Total Obligations, the Grantor hereby grants to the Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest (the "Security Interest") in all of the Grantor's right, title and interest in, to and under the registered or applied for Trademarks listed on Schedule I attached hereto (the "Trademark Collateral"). This Agreement is not to be construed as an assignment of any trademark or trademark application. Notwithstanding anything herein to the contrary, the Trademark Collateral shall not include, and in no event shall the Security Interest attach to, any intent-to-use trademark applications filed in the United States Patent and Trademark Office, pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. Section 1051, prior to the accepted filing of a "Statement of Use" and issuance of a "Certificate of Registration" pursuant to Section 1(d) of the Lanham Act or an accepted filing of an "Amendment to Allege Use" whereby such intent-to-use trademark application is converted to a "use in commerce" application pursuant to Section 1(c) of the Lanham Act.

SECTION 3. Termination. Subject to Section 7.13 of the Guaranty and Security Agreement, upon Payment in Full, the security interest granted herein shall terminate and the Agent shall execute, acknowledge, and deliver to the Grantor all instruments in writing in recordable form to evidence and release the collateral pledge, grant, assignment, lien and security interest in the Trademark Collateral under this Agreement.

SECTION 4. Guaranty and Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the Trademark Collateral are more fully set forth in the Guaranty and Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Guaranty and Security Agreement, the terms of the Guaranty and Security Agreement shall govern.

SECTION 5. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually signed counterpart of this Agreement.

SECTION 6. Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State of New York.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
