**GRANT OF SECURITY INTEREST
IN UNITED STATES TRADEMARKS**

August 2, 2017

FOR GOOD AND VALUABLE CONSIDERATION, the receipt and sufficiency of which are hereby acknowledged, MONARCH MEDICAL TECHNOLOGIES, LLC, a Nevada limited liability company ("Grantor"), having its principal office at 2137 South Blvd. Suite 300, Charlotte, North Carolina 28203 hereby grants to STONEGATE CAPITAL HOLDINGS, LLC, a Delaware limited liability company ("Grantee"), a security interest in (a) all of Grantor's right, title and interest in and to the United States trademarks set forth on Schedule A attached hereto (collectively, the "Marks", and each, a "Mark"), (b) the goodwill of the businesses with which each Mark is associated, (c) all claims and causes of action arising prior to or after the date hereof for infringement or dilution of any Mark, unfair competition regarding any Mark or injury to the goodwill associated with any Mark, (d) all of Grantor's rights corresponding thereto throughout the world and (e) all proceeds and products of each Mark.

THIS GRANT is made to secure the satisfactory performance and payment of the Obligations, as such term is defined in that certain Credit Agreement among Grantor, the Guarantors party thereto and Grantee, dated as of the date hereof (as amended, restated, supplemented, or otherwise modified from time to time, the "Credit Agreement"). Upon termination of the Credit Agreement and the Security Agreement (as defined in the Credit Agreement), Grantee shall execute, acknowledge and deliver to Grantor, upon Grantor's request and at Grantor's expense, an instrument in writing releasing the security interest in the Marks acquired under this Grant.

This Grant has been granted in conjunction with the security interest granted to Grantee under the Security Agreement. The rights and remedies of Grantee with respect to the security interest granted herein are as set forth in the Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Grant are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

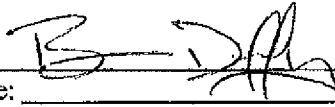

This Grant and any amendments hereto may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original and all of which counterparts taken together shall constitute but one and the same instrument. Any amendment hereto shall require the written agreement of Grantor and Grantee. Counterparts of this Grant may be delivered by facsimile or electronic mail and the effectiveness of this Grant and signatures hereon shall have the same force and effect as manually signed originals.

[Remainder of this page intentionally left blank.]

IN WITNESS WHEREOF, the undersigned has executed this Grant as of the date set forth above.

GRANTOR:

MONARCH MEDICAL TECHNOLOGIES, LLC
