TRADEMARK ASSIGNMENT AGREEMENT

THIS AGREEMENT made as of the 31st day of March, 2017.

B E T W E E N:

INFOBRIGHT INC., a corporation existing under the federal laws of Canada (the "Assignor")

and

COMPRESSUS INC., a corporation existing under the laws of Delaware (the "Assignee")

WHEREAS the Assignor wishes to sell to the Assignee and the Assignee wishes to purchase from the Assignor, certain intellectual property of the Assignor on and subject to the terms and conditions set forth in the asset purchase agreement among the Assignor, the Assignee, Ignite Technologies, Inc., and Versata Enterprises, Inc. dated March 31, 2017 (the "**Purchase Agreement**").

NOW THEREFORE in consideration of the mutual covenants and agreements set out herein, the execution of the Purchase Agreement and the payment of the consideration stipulated in the Purchase Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Assignment.** Subject to the terms and conditions of the limited term trademark license agreement dated March 31, 2017, the Assignor hereby irrevocably conveys, transfers and assigns to the Assignee, and the Assignee hereby accepts, all of the Assignor's right, title and interest in and to the following (the "**Assigned Trade-marks**"), together with the goodwill of the business connected with the use of, and symbolized by, the Assigned Trade-marks:
 - (a) the trade-mark registrations and common law trademarks set forth in Schedule "A" hereto and all issuances, extensions and renewals thereof;
 - (b) all rights of any kind whatsoever of the Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction by international treaties and conventions and otherwise throughout the world;
 - (c) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and
 - (d) any and all claims and causes of actions, with respect to any of the foregoing, whether accruing before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.
2. **Registering and Further Actions.** The Assignor authorizes the Office of the Registrar of Trade-marks and any other governmental officials to record and register this Agreement upon request by the Assignee. The Assignor shall take such steps and actions reasonably requested by the

Assignee following the date hereof, including the execution of any documents, files, registrations or other similar items, to ensure that the Assigned Trade-marks are properly transferred to the Assignee, or any assignee or successor thereto.

3. **Terms of the Asset Purchase Agreement.** The terms of the Purchase Agreement, including, but not limited to, the representations, warranties, covenants, agreements and indemnities relating to the Assigned Trade-marks are incorporated herein by this reference. The parties hereto acknowledge and agree that the representations, warranties, covenants, agreements and indemnities contained in the Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.
4. **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.
5. **Successors and Assigns.** This Agreement shall be binding upon and shall enure to the benefit of the parties hereto and their respective successors and assigns.
6. **Governing Law.** This Agreement and any claim, controversy, dispute or cause of action (whether in contract, tort or otherwise) based upon, arising out of or relating to this Agreement and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the Province of Ontario and the laws of Canada applicable therein, without giving effect to any choice or conflict of law provision or rule (whether of the Province of Ontario or any other jurisdiction).
