PATENT AND TRADEMARK ASSIGNMENT

This PATENT AND TRADEMARK ASSIGNMENT (this "Assignment") is made as of December 5, 2016 by RADIATE MEDIA HOLDING COMPANY, a Delaware corporation ("Parent") and RADIATE MEDIA LLC, a Delaware limited liability Company (the "Company") and UNITED STATES TRAFFIC NETWORK, LLC, a Delaware limited liability company ("Buyer"). Each of the Company and Parent is referred to herein as an "Assignor" and collectively as "Assignors."

WHEREAS, Assignee and Assignors and its affiliates have entered into a certain Asset Purchase Agreement, dated as of the date hereof (the "Purchase Agreement"), pursuant to which Assignors agreed to assign on closing to Assignee all of Assignors' right, title and interest in and to certain intellectual property, including but not limited to the patents and patent applications included in the Purchased Assets (as defined in the Purchase Agreement), including those listed on Exhibit A hereto, together with all continuations, continuations-in-part, divisionals, re-examinations, reissues, revisions, and extensions thereof (collectively, the "Assigned Patents");

WHEREAS, pursuant to the Purchase Agreement, the Assignors also agreed to assign on closing to Assignee all of the Assignors' right, title and interest in and to various trademarks, service marks, trade names, slogans, and trade dress, including but not limited to the marks included in the Purchased Assets (as defined in the Purchase Agreement), including those listed on Exhibit A hereto, together with all goodwill connected with the use thereof or symbolized thereby (hereinafter collectively the "Marks" and, together with the Assigned Patents, the "Assigned IP");

WHEREAS, Assignee wishes to acquire from Assignors, and Assignors wish to transfer to Assignee, all of Assignors' right, title and interest in and to the Assigned IP; and

WHEREAS, Assignee and Assignors are desirous of executing a document suitable for recordation with the applicable patent or trademark registries.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, each Assignor does hereby sell, convey, transfer and assign to Assignee (1) all of such Assignor's right, title and interest in and to the Assigned Patents throughout the world, including: (a) all patents, pending patent applications and rights to file patent applications for the Assigned Patents; (b) all rights of priority and all extensions of patents and patent applications for the Assigned Patents; and (c) all rights to past, present or future claims or causes of action arising out of or related to any infringement, misappropriation or other violation thereof; and (d) all proceeds arising in connection with all of the foregoing; and (2) all of such Assignor's right, title and interest in and to the Marks, including (v) all common law rights in the Marks; (w) all registrations, pending applications for registration and rights to file applications for the Marks; (x) all rights of priority and all extensions of applications and registrations for the Marks; (y) all rights to past, present or future claims or causes of action arising out of or related to any infringement, dilution, misappropriation or other violation of the Marks; and (z) and all proceeds arising in connection with all of the foregoing.

SECTION 1. Further Assurances. Each Assignor agrees to execute and deliver (and to cause its employees, contractors and other representatives to execute and deliver) such documents as Assignee may reasonably request, and/or take any additional actions, that are necessary or desirable to more effectively convey, assign and transfer to Assignee the Assigned IP (or to more effectively record or evidence the same).

SECTION 2. Counterparts. This Assignment may be executed in counterparts or duplicate originals, all of which shall be regarded as one and the same instrument, and which shall be the official and governing version in the interpretation of this Assignment. This Assignment may be executed by facsimile signatures or signatures by electronic transmission and such signatures shall be deemed to bind each of Assignee and Assignors as if they were original signatures.

SECTION 3. Governing Law. This Assignment shall be governed by and construed in accordance with the laws of the State of Delaware without regard to the Laws of the State of Delaware or any other jurisdiction that would call for the application of the substantive laws of any jurisdiction other than Delaware.
