TRADEMARK ASSIGNMENT

WHEREAS, Follain Inc., a Delaware corporation ("Assignor"), is the owner of record of the trademark identified in Schedule I attached hereto (the "Mark"), which is the subject of the United States trademark registration listed in such Schedule I; and

WHEREAS, Assignor desires to transfer the Mark and associated good will to its parent corporation, Follain Launch, Inc., a Delaware corporation ("Assignee"), and Assignee desires to acquire such Mark and good will from Assignor;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby assigns unto Assignee all of Assignor's rights, title and interest in and to the Mark, together with (a) the good will of the business symbolized by and associated with the Mark, (b) all applications for registration, registrations, renewals and statements of use thereof, and (c) the right to sue and recover for, and the right to profits or damages due or accrued arising out of or in connection with, any and all past, present or future infringements or dilution of or damage or injury to the Mark or the registration thereof or such associated good will.

Assignor hereby appoints each officer or other authorized representative of Assignee as Assignor's true and lawful attorney-in-fact ("Attorney-in-Fact"), with full power of substitution, for Assignor and in its name, place and stead and on its behalf and for its use and benefit to execute and deliver all documents and instruments in such form and with such substance and to take all actions on behalf of Assignor that such Attorney-in-Fact deems necessary, advisable or appropriate in order to transfer to and vest in Assignee all of the foregoing rights in the Mark and to otherwise effectuate the assignment set forth herein, including without limitation any filings with the U.S. Patent and Trademark Office that may be necessary to reflect Assignee's title to the Mark.

IN WITNESS WHEREOF, the Assignor, by its duly authorized officer, has executed this assignment as of October 30, 2017.
