RELEASE OF SECURITY INTEREST IN TRADEMARKS

This RELEASE OF SECURITY INTEREST IN TRADEMARKS, dated as of November 20, 2017 (this "Release"), is made by WILMINGTON TRUST, NATIONAL ASSOCIATION, as collateral agent (in such capacity, the "Collateral Agent"), in favor of the Grantors (hereinafter defined below), as follows:

WITNESSETH

WHEREAS, pursuant to that certain Security Agreement between Collateral Agent and Grantors, dated as of May 14, 2014 (as may be amended, amended and restated or otherwise modified, the "Security Agreement"), the Grantors granted to the Collateral Agent a security interest in and to certain collateral;

WHEREAS, pursuant to the Security Agreement, Collateral Agent and Grantors entered into that certain Grant of Security Interest in Trademarks, dated as of May 14, 2014, among the Grantors and the Collateral Agent (the "Trademark Security Agreement"), which was recorded with the United States Patent and Trademark Office on January 30, 2015 at Reel 005450 / Frame 0390;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Collateral Agent hereby agrees as follows:

1. Defined Terms. All capitalized terms used, but not otherwise defined herein, shall have the respective meanings ascribed in or otherwise referenced in the Security Agreement or the Trademark Security Agreement, as applicable.

2. Release. The Collateral Agent, without representation or warranty of any kind, hereby releases, discharges, cancels and terminates all of its security interest in and continuing lien on the Trademarks Collateral, including, without limitation, the trademarks and trademark registrations and applications listed on Schedule A attached hereto, and hereby re-assigns, re-transfers and re-conveys to Grantors any and all right, title or interest the Collateral Agent may have in and to the Trademark Collateral, together with all of the goodwill associated therewith.

3. Further Assurances. Collateral Agent agrees to execute and deliver such further instruments and take or cause to be taken such other or further action as Grantors may reasonably request, at Grantors' cost and expense, in order to perfect, confirm or evidence such release.

4. Governing Law. This Release shall be governed exclusively under the laws of the State of New York, without regard to conflicts of law or choice of law principles.

Grantors:

AI METRIX, INC.

CHARLESTON MARINE CONTAINERS INC.

KRATOS UNMANNED AERIAL SYSTEMS, INC. (FORMERLY COMPOSITE
ENGINEERING, INC.)

GENERAL MICROWAVE CORPORATION

HAVERSTICK CONSULTING, INC.

HENRY BROS. ELECTRONICS, INC.

HERLEY INDUSTRIES, INC.

KRATOS DEFENSE & ROCKET SUPPORT SERVICES, INC.

KRATOS DEFENSE & SECURITY SOLUTIONS, INC.

KRATOS INTEGRAL HOLDINGS, LLC

KRATOS TECHNOLOGY & TRAINING SOLUTIONS, INC.

SAT CORPORATION

SECUREINFO CORPORATION

[Remainder of page intentionally left blank.]

IN WITNESS WHEREOF, Collateral Agent, by its duly authorized officer, has executed this Release of Security Interest in Trademarks on this 20th day of November, 2017.

APPLICANT/ FILE NO.	COUNTRY	MARK	CLASS/SERVICES	Serial No. Filing Date	Reg. No. Issue Date
			providing computer hardware and software combinations that reverse engineer internet protocol out of an RF link; cyber security software and software incorporating algorithms for use in harden system configuration against tampering 42 - Computer security service, namely providing real-time Security Information Event Management (SIEM) for satellite networks for use in providing situational awareness across network and security devices		

Service Descriptions

Description "A" - Engineering services; consulting in the fields of engineering for weapons systems development; information technology services; computer and telecommunications network engineering; and design and inspection of fire alarm system and sprinkler suppression systems; on-line system management services that allow users to remotely view, monitor, program, operate and control electrical systems, environmental, access and security systems in homes, offices and buildings

Description "B" - Engineering services; providing mission critical engineering and information technology services, namely, software application design, development, implementation and maintenance to meet customer needs, developing and implementing safeguards and controls for computer network security by restricting access to and by computer networks to and of undesired web sites, media and individuals and facilities; planning for continuing operations and disaster recovery for computer networks; administration of computer system networks in operations centers for the government; customizing computer software for email systems for the customer and application service provider, namely, hosting databases, all in the fields of military defense, intelligence, surveillance, reconnaissance, homeland security, weapon systems support and maintenance, avionics and space programs to governmental agencies; providing design, development and integration of computer networks; consulting in the fields of engineering for weapons systems development; information technology services primarily directed to military defense, intelligence, surveillance, reconnaissance, homeland security, weapon systems support and maintenance, avionics and space programs; computer and telecommunications network engineering and consulting services for enterprise solutions and integration, namely, design and inspection of fire alarm system and sprinkler suppression systems; on-line system management services that allow users to remotely view, monitor, program, operate and control electrical systems, environmental, access and security systems in homes, offices and buildings
