TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT (“Agreement”), dated as of December 8, 2017, by and between THE KYJEN COMPANY, LLC, a Colorado limited liability company (“Grantor”), in favor of FIDUS INVESTMENT CORPORATION, a Maryland corporation, in its capacity as collateral agent (in such capacity and together with its successors and permitted assigns, “Collateral Agent”) for the Secured Parties (as defined in the Credit Agreement (as defined below)).

WITNESSETH:

WHEREAS, pursuant to that certain Senior Subordinated Credit Agreement, dated as of the date hereof by, and among Grantor, the other Loan Parties party thereto, Collateral Agent, and the Persons signatory thereto from time to time as Lenders (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the “Credit Agreement”), the Lenders have agreed to make Loans to Grantor;

WHEREAS, pursuant to that certain Security Agreement, dated as of the date hereof, by and among Grantor, the other grantors party thereto and Collateral Agent (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the “Security Agreement”), as security for all Obligations, Grantor granted to Collateral Agent, for the benefit of the Secured Parties, a continuing security interest in and lien on all Trademarks of Grantor, whether now owned or existing or hereafter acquired or arising; and

WHEREAS, pursuant to the Security Agreement, Grantor is required to execute and deliver to Collateral Agent, for the benefit of Secured Parties, this Agreement.

NOW, THEREFORE, in consideration of the premises and the mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. **DEFINED TERMS.** All capitalized terms used but not otherwise defined herein (including in the recitals above) have the meanings given to them in the Credit Agreement.

2. **GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL.** Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Obligations of Grantor, hereby grants to the Collateral Agent for the benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of Grantor (the “Trademark Collateral”):

- (a) all of its Trademarks, including those referred to on Schedule 1 hereto;
- (b) all reissues, extensions or renewals of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Notwithstanding the foregoing, there shall be no security interest or Lien on any Trademark application that is filed on an "intent-to-use" basis (until such time as a statement of use is filed with respect to such application and duly accepted by the United States Patent and Trademark Office).

3. SECURITY AGREEMENT. The security interests granted pursuant to this Agreement are granted in conjunction with, and not in limitation of, the security interests granted to Collateral Agent pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

4. EXECUTION IN COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall constitute an original, but all of which shall constitute a single contract. It shall not be necessary in making proof of this Agreement to produce or account for more than one such counterpart. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or other electronic imaging means shall be effective as delivery of a manually executed counterpart of this Agreement.

5. GOVERNING LAW. This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York without giving effect to its choice of law provisions.

[Signature Pages Follow]

IN WITNESS WHEREOF, Grantor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
