WORLDWIDE ASSIGNMENT OF TRADEMARKS

This **WORLDWIDE ASSIGNMENT OF TRADEMARKS** ("Assignment"), dated as of May 18, 2017, is made by and between TTWIN, LLC ("Assignor"), a Delaware limited liability company located at 51 Madison Avenue, New York, NY 10010 USA and Pumpkin Mounts, LLC ("Assignee"), a Delaware limited liability company located at 51 Madison Avenue, New York, NY, 10010 USA.

WHEREAS, Assignor is the owner of each of the trademarks, including any and all goodwill symbolized by any of the foregoing as set forth on Exhibit 1 annexed hereto (collectively, the "Trademarks"); and

WHEREAS, Assignee wishes to acquire the Trademarks from Assignor and Assignor wishes to assign the Trademarks to Assignee.

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged:

1. Assignor does hereby assign unto said Assignee all right, title and interest in and to said Trademarks, together with the goodwill of the businesses connected with the use of, and symbolized by, the Trademarks; provided, that with respect to the United States intent-to-use trademark applications set forth on Exhibit 1 hereto, the transfer of such applications accompanies the transfer of Seller's business, or portion of the business to which the trademark pertains, and that business is ongoing and existing; and further including all income, royalties, and damages now and hereafter due and/or payable to Assignee in connection with the Trademarks, including, without limitation, damages and payments for past or future infringements and misappropriations thereof, all rights to sue for past, present and future infringements or misappropriations thereof, and all rights corresponding to any of the above throughout the world.

2. Assignor hereby authorizes and requests the Trademark Office Officials, and any official of any country or countries foreign to the United States, whose duty is to issue trademark registrations or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to Assignee, its successors, legal representatives and assigns, with respect to the Trademarks in accordance with the terms of this Assignment.

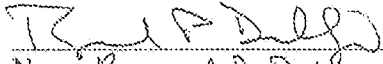

3. Assignor hereby agrees to execute upon the request of Assignee such additional instruments, documents and papers as are necessary to continue, secure, defend, record and otherwise give full effect to and to perfect the rights of Assignee under this Assignment in and to the Trademarks, including all documents necessary to record in the name of Assignee the assignment of the Trademarks with the United States Patent and Trademark Office, and with respect to any equivalent foreign rights, with any other appropriate trademark office.

4. Assignor and Assignee understand and agree that this Assignment supersedes any previous assignments of the Trademarks executed by Assignor, whether or not such assignments were recorded by the United States Patent and Trademark Office, and that any such previous assignments have been rendered void or otherwise legally rescinded by Assignor prior to the execution of this Assignment.
