INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This Intellectual Property Assignment Agreement (this "Agreement"), dated as of November 13, 2017, is entered into by and between The Reinalt-Thomas Corporation dba Discount Tire ("Seller") and Just Wheels & Tires Co., a California Corporation ("Buyer").

In consideration of the representations, warranties, covenants and agreements contained herein, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound hereby, the parties hereby agree as follows:

1. **Transfer of Intellectual Property and Other Assets.** Seller hereby sells, assigns, transfers, conveys and delivers to Buyer, and Buyer hereby purchases from Seller, all of Seller's right, title and interest in the assets set forth on **Schedule A** attached hereto and made a part hereof (the "Intellectual Property Assets"), free and clear of any and all mortgages, pledges, liens, charges, security interests, claims or other encumbrances.

2. **Grant of Rights to Intellectual Property Assets.** Seller hereby sells, assigns, transfers, conveys and delivers unto Buyer and its successors and assigns, for and throughout the world, Seller's rights, titles and interests (legal, equitable, use and otherwise) in and to any and all: (a) rights to file and register the Intellectual Property Assets in Buyer's name with any government entity; (b) rights to record the transfers made under this Agreement in the United States Patent and Trademark Office and in any other public offices of any government entities throughout the world; (c) rights to sue for, collect and retain damages predicated on present or future infringements of the Intellectual Property Assets, as well as all other claims and rights to damages associated with the Intellectual Property Assets, whether predicated on past, present or future actions or omissions, and whether or not currently known or unknown; and (d) goodwill associated with the Intellectual Property Assets.

3. **No Retained Rights.** Seller's assignment of the Intellectual Property Assets to Buyer under this Agreement constitutes a complete, absolute and exclusive transfer of all rights (legal, equitable, use and otherwise) of Seller in the Intellectual Property Assets, whether currently existing or arising or recognized in the future. Seller does not reserve or retain any right, title or interest in the Intellectual Property Assets.

4. **Purchase Price.** The aggregate purchase price for the Intellectual Property Assets is One Dollar (\$1.00) (the "Purchase Price"). The Purchase Price shall be paid concurrently with the execution and delivery of this Agreement and the transfer of the Intellectual Property Assets to Buyer.

5. **Representations and Warranties.** Seller represents and warrants to Buyer as follows:

(a) Seller is duly authorized to enter into this Agreement, to carry out its obligations hereunder and to consummate the transactions contemplated hereby.

(b) This Agreement has been duly executed and delivered by Seller and (assuming due authorization, execution and delivery by Buyer) constitutes the legal, valid and binding obligation of Seller, enforceable against Seller in accordance with its terms.

(c) Seller owns and has title to the Intellectual Property Assets.

6. **Further Assurances.** Seller will, from time to time, execute and deliver, or cause to be executed and delivered, such additional instruments, notices, releases, certificates, powers of attorney,

assurances, assignments and other documents and do all such further acts, assignments, transfers and other things, as may reasonably be requested by Buyer to more completely transfer the Intellectual Property Assets and for the effective consummation of this Agreement.

7. **Miscellaneous.**

(a) This Agreement constitutes the sole and entire agreement of the parties to this Agreement with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings and agreements, both written and oral, with respect to such subject matter.

(b) This Agreement shall be binding upon and shall inure only to the benefit of the parties hereto. Neither party may assign its rights or obligations hereunder without the prior written consent of the other party. No assignment shall relieve the assigning party of any of its obligations hereunder.

(c) This Agreement, and all claims or causes of action (whether in contract, tort or statute) that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement or as an inducement to enter into this Agreement), shall be governed by, and enforced in accordance with, the internal laws of the State of California, including its statutes of limitations.

(d) This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Intellectual Property Assignment Agreement to be duly executed as of the date first written above.
