ASSIGNMENT AND ASSUMPTION OF INTELLECTUAL PROPERTY RIGHTS

In connection with the contribution of those certain assets by Odyssey Enterprises, Inc., a Washington corporation ("OEI") to Odyssey Foods, LLC, a Washington limited liability company, ("Odyssey Foods") and the assumption of those certain liabilities of OEI by Odyssey Foods, all as described in that certain Contribution Agreement, of even date herewith, executed in connection with the issuance to OEI of ten thousand units of membership interest in Odyssey Foods, OEI hereby assigns to Odyssey Foods and Odyssey Foods assumes from OEI all of OEI's right title and interest in and to that certain intellectual property of OEI (collectively, the "Intellectual Property"), including all trademarks, service marks, trade names, brand names, internet domains, and confidential information, formulas, recipes, designs, devices, technology, know-how, research and development, inventions, methods, processes, compositions and other trade secrets, whether or not patentable, including those described on Exhibit A attached hereto and by this reference made a part hereof.

It is agreed by and between OEI and Odyssey Foods that OEI will take all steps necessary to transfer the registration of any registered intellectual property included in the Intellectual Property to the name of Odyssey Foods on or before such time as Odyssey Foods would be required to renew or reregister such Intellectual Property in its own name. Notwithstanding the foregoing, during the period in which such marks remain registered in the name of OEI, all right and interest in and to such registered Intellectual Property shall belong to Odyssey Foods such registrations shall be for the sole and exclusive benefit of Odyssey Foods. Without limiting the foregoing OEI agrees to take all actions and sign all such documents as Odyssey Foods may reasonably request to effect the full transfer of interest of the Intellectual Property.
