TRADEMARK ASSIGNMENT

WFSW, S.A., a company organized under the laws of Portugal with a principal place of business at Parque Industrial de Taveiro, Lote 49, 3045-504 Coimbra Portugal ("Assignor"), hereby executes this TRADEMARK ASSIGNMENT (this "Assignment") effective as of July 1, 2017 ("Effective Date") in favor of Symantec Corporation, a corporation organized under the laws of the State of Delaware with a principal place of business at 350 Ellis Street, Mountain View, California 94043 ("Assignee"), to evidence the transfer of all rights, title and interest in certain trademarks, and related rights from Assignor to Assignee in connection with the Intellectual Property Assignment Agreement effective as of July 1, 2017 between Assignor and Assignee (the "Agreement"). Assignor and Assignee are each a "Party" and collectively the "Parties".

1. For good and valuable consideration, receipt of which Assignor acknowledges, Assignor hereby assigns and transfers to Assignee all of Assignor's rights, title and interest in the following:

(a) the trademarks (including service marks, trade names, logos and trade dress) and trademark applications set forth on Annex A, and all common law rights anywhere in the world in and to such trademarks, all registrations and applications for such trademarks, any registrations granted in the future for such trademarks and trademark applications, and all renewals of such registrations (collectively, the "Assigned Trademarks");

(b) any and all of the trademark goodwill of the business symbolized by any of the Assigned Trademarks; and

(c) all convention and treaty rights of all kinds, including without limitation all rights of priority in any country of the world, in and to the Assigned Trademarks.

2. Assignor agrees to do the following, when requested by Assignee, and without further consideration, in order to carry out the intent of this Assignment: (a) execute all oaths, assignments, powers of attorney, applications, and other papers necessary or desirable to fully secure to Assignee the title and interest herein conveyed, and (b) generally do all lawful acts that Assignee shall consider desirable for securing, maintaining, and enforcing worldwide protection relating to the Assigned Trademarks and for vesting in Assignee the title and interest herein conveyed.

3. Assignor hereby requests that any applicable governmental entity or registrar (including any applicable foreign or international office or registrar), record Assignee as the assignee and legal owner of the Assigned Trademarks.

4. This Assignment and all the provisions hereof shall be binding upon and shall inure to the benefit of the Parties and their respective successors and permitted assigns.

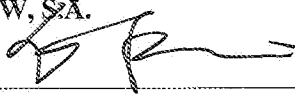

5. The Parties may execute this Assignment in multiple counterparts, each of which constitutes an original instrument, and all of which together constitute one agreement. The signatures of both Parties need not appear on the same counterpart. The delivery of signed counterparts by facsimile or email transmission that includes a copy of the sending Party's signature is as effective as signing and delivering the counterpart in person.

6. This Assignment is executed pursuant to the Agreement, to which reference is made for a further statement of the rights and obligations of Assignor and Assignee with respect to the Assigned Trademarks. Nothing contained in this Assignment shall be deemed to modify, supersede, enlarge, or affect the rights of any party to the Agreement. The Agreement shall control if any provision of this Assignment is inconsistent or conflicts with the Agreement.

7. The laws of the State of California, U.S.A. (without reference to its principles of conflicts of law) govern the construction, interpretation and other matters arising out of or in connection with this Assignment.

The Parties have caused this Assignment to be executed by their duly authorized representatives effective as of the Effective Date.
