Trademark Security Agreement

Trademark Security Agreement, dated as of April 4, 2018, by UBER TECHNOLOGIES, INC., a Delaware corporation (the "Pledgor"), in favor of CORTLAND CAPITAL MARKET SERVICES LLC, in its capacity as administrative agent for the benefit of the Secured Parties pursuant to the Credit Agreement (in such capacity, the "Administrative Agent").

WITNESSETH:

WHEREAS, the Pledgors are party to a Security Agreement dated as of April 4, 2018 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement") (such Security Agreement having been entered into in connection with the Term Loan Agreement dated as of April 4, 2018 among the Pledgor, as the Borrower, the Administrative Agent and the other parties thereto (as amended, amended and restated, supplemented or otherwise modified from time to time)) in favor of the Administrative Agent pursuant to which the Pledgor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Administrative Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, the Pledgors hereby agree with the Administrative Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. The Pledgor hereby pledges and grants to the Administrative Agent for the benefit of the Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all the following Pledged Collateral of the Pledgor:

- (a) Trademarks of the Pledgor listed on Schedule I attached hereto;
- and
- (b) all Proceeds of any and all of the foregoing (other than Excluded Collateral).

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Security Agreement and the Pledgor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security

Agreement, the provisions of the Security Agreement shall control unless the Administrative Agent shall otherwise determine.

SECTION 4. Termination. Upon the payment in full of the Obligations (other than contingent indemnification obligations not yet accrued and payable) and termination of the Security Agreement or as otherwise provided in Section 11.4 of the Security Agreement, the Administrative Agent shall execute, acknowledge, and deliver to the Pledgor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademarks under this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.

SECTION 6. Governing Law. This Trademark Security Agreement shall be governed by, and shall be construed and enforced in accordance with, the law of the State of New York.

[signature page follows]

IN WITNESS WHEREOF, the Pledgor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

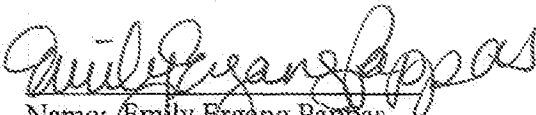

Very truly yours,

UBER TECHNOLOGIES, INC.,
as Pledgor
