TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement dated as of May 17, 2018 (this "Trademark Security Agreement"), is made by each signatory hereto listed under "Pledgors" (each a "Pledgor" and collectively, the "Pledgors"), in favor of Cortland Capital Market Services LLC, in its capacity as collateral agent for the secured parties (in such capacity, together with its successors and permitted assigns, the "Collateral Agent") pursuant to that certain Credit Agreement, dated as of May 17, 2018 (as amended, restated, amended and restated, supplemented, extended, waived, renewed, replaced, refinanced or otherwise modified from time to time, the "Credit Agreement"), by and among, among others, LogicMonitor, Inc., a Delaware corporation (the "Borrower"), certain subsidiaries and affiliates of the Borrower from time to time party thereto, the lenders from time to time party thereto and the several agents party thereto, including the Collateral Agent.

W I T N E S S E T H:

WHEREAS, the Pledgors are party to a Security Agreement of even date with the Credit Agreement (as amended, restated, amended and restated, supplemented, waived, renewed, replaced or otherwise modified from time to time, the "Security Agreement") in favor of the Collateral Agent pursuant to which the Pledgors are required to execute and deliver this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and to induce the Collateral Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, each Pledgor hereby agrees with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement, or if not defined therein, in the Credit Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Pledgor hereby pledges and grants to the Collateral Agent for the benefit of the Secured Parties a first priority Lien on and security interest in (subject to Permitted Liens) and to all of the right, title and interest of such Pledgor in, to and under all the following Pledged Collateral, in each case excluding Excluded Property (collectively, the "Trademark Collateral"):

(a) all Trademarks, including, without limitation, the United States registered Trademarks and applications for Trademark registration, listed on Schedule 1 attached hereto, together with any and all (i) rights and privileges arising under applicable Legal Requirements with respect to the use or ownership of any of the foregoing, (ii) goodwill associated therewith, (iii) continuations, extensions and renewals thereof and amendments thereto; (iv) income, fees, royalties, damages, claims and payments now and hereafter due and/or payable thereunder and with respect thereto, including damages, claims and payments for past, present or future infringements, dilutions or other violations thereof or unfair competition therewith, (v) rights to sue or otherwise recover for past, present and future infringements, dilutions or other violations thereof or unfair competition therewith, and (vi) rights, priorities and privileges corresponding thereto throughout the world; and

(b) all Proceeds of any and all of the foregoing.

Notwithstanding the foregoing, the Trademark Collateral excludes, and no grant of any Lien or security interest shall be deemed granted hereunder on or in any "intent-to-use" Trademark application for which a Statement of Use or Amendment to Allege Use, as applicable, has not been filed with the USPTO, to the extent, if any, that, and solely during the period, if any, in which the grant of security interest therein would impair the validity or enforceability of such "intent-to-use" Trademark application or any registration issuing therefrom.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement, and the Pledgors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Recordation. Each Pledgor authorizes and requests that the Commissioner for Trademarks and any other applicable government officer record this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts. Delivery of an executed counterpart of this Trademark Security Agreement by facsimile or other electronic means shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

SECTION 6. Governing Law. The terms of Section 10.09 and Section 10.10 of the Credit Agreement are incorporated herein mutatis mutandis.
