GRANT OF  
SECURITY INTEREST IN TRADEMARK RIGHTS

THIS GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS ("Agreement"), effective as of June 4, 2018 is made by CORNELLCOOKSON, LLC, a Delaware limited liability company with an address at 712 Fifth Avenue, 18th Floor, New York, New York 10019 ( "Grantor"), in favor of CAPITAL ONE, NATIONAL ASSOCIATION, as Administrative Agent (in such capacity, the "Administrative Agent") for the several banks and other financial institutions (the "Lenders") from time to time parties to the Credit Agreement, dated as of August 22, 2016, between the Administrative Agent, Griffon Corporation ("Griffon"), Wells Fargo Bank, N.A., as Directed Trustee of, and in such capacity acting for and on behalf of, the Trust established under the Griffon Corporation Employee Stock Ownership Plan and the lenders party thereto (the "Lenders") (as further amended, supplemented or otherwise modified from time to time, the "Credit Agreement").

WITNESSETH:

WHEREAS, in connection with the Credit Agreement, Griffon and certain of its Affiliates (other than the Grantor) entered into the Security Agreement, dated as of August 22, 2016 (as further amended, supplemented or otherwise modified from time to time, the "Security Agreement"), in favor of the Administrative Agent for the benefit of the Lenders;

WHEREAS, the Credit Agreement requires the Grantor to become party to the Security Agreement and, pursuant to the Assumption Agreement, dated as of June 4, 2018, the Grantor became party to the Security Agreement as a Grantor thereunder, with the same force and effect as if originally named therein as a Grantor; and

WHEREAS, pursuant to the Security Agreement, the Grantor has pledged and granted to the Administrative Agent for the benefit of the Lenders, a continuing security interest in all Intellectual Property, including the Trademarks; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to continue to make extensions of credit to the Directed Trustee pursuant to the Credit Agreement, the Grantor agrees, for the benefit of the Administrative Agent and the Lenders, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Security Agreement.

SECTION 2. Grant of Security Interest. The Grantor hereby grants to the Administrative Agent, on behalf and for the benefit of the Lenders, and to secure the prompt and complete payment and performance of all Subsidiary Guarantor Obligations, a security interest

in all of its right, title and interest in, to and under the Grantor's Trademarks (including, without limitation, those items listed on Schedule A hereto), provided, however, that for the purpose of this Agreement, "Trademarks" shall not include any intent-to-use United States trademark application for which an amendment to allege use or statement of use has not been filed under 15 U.S.C. § 1051(c) or 15 U.S.C. § 1051(d), respectively, or if filed, has not been deemed in conformance with 15 U.S.C. § 1051(a) or examined and accepted, respectively, by the U.S. Patent and Trademark Office, provided that upon such filing and acceptance, such intent-to-use application shall be included in the definition of Trademark.

SECTION 3. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Administrative Agent for the benefit of the Lenders in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Administrative Agent and the Lenders thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Administrative Agent and the Lenders with respect to the security interest in the Trademarks granted hereby are more fully set forth in the Credit Agreement and the Security Agreement, the terms and provisions of which (including, without limitation, the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
