TRADEMARK ASSIGNMENT

This Trademark Assignment (“Assignment”) is made and entered into as of June 30, 2018 (the “Effective Date”), by and between Liberty Shipping Group LLC, a Delaware limited liability company, with an address of 1979 Marcus Avenue, Suite 200, Lake Success, NY 11042 (“Assignor”) and Liberty Shipping Group, Inc., a New York corporation located and doing business at 1979 Marcus Avenue, Suite 200, Lake Success, NY 11042 (“Assignee”).

A. Assignor is the registered owner of the trademarks and trademark registrations and applications identified on Exhibit A hereto; and

B. Assignee wishes to acquire, and Assignor is willing to assign, convey and transfer to Assignee, all of Assignor’s right, title and interest in and to such trademarks and trademark registrations and applications, all goodwill associated therewith and all related and corresponding rights in any jurisdiction in the world (collectively, the “Marks”), on the following terms and conditions.

Accordingly, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment. Assignor hereby irrevocably assigns, conveys, transfers and sets over to Assignee, its successors and assigns, all of Assignor’s worldwide right, title and interest in and to the Marks, the goodwill of the business symbolized by the Marks, and all registrations that have been or may be granted thereon, all applications for registrations thereof, and all common law rights in the Marks worldwide, together with all rights and privileges granted and secured thereby, including all rights to register, renew, defend, and protect interests therein under the applicable laws of all jurisdictions and the right to sue in Assignee’s own name and recover for any past, present or future infringement or other violation of the Marks and all income, royalties and damages hereafter due or payable with respect to the Marks, all of said rights to be held and enjoyed by Assignee, for its own use and benefit and for the use and benefit of its successors, assigns or other legal representatives as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

2. Authorization. Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as owner of the Marks, as assignee of the entire right, title and interest in, to and under the same, for the sole use and enjoyment of Assignee, its successors, assigns or other legal representatives.

3. Further Assurances. Assignor will promptly execute any additional assignment or other documents reasonably requested by Assignee, its successors and assigns, and do all other lawful acts reasonably necessary to carry out the intent of this Assignment. The cost of recording and registering ownership rights in the Marks shall be borne solely by Assignee, its successors and assigns.

4. Miscellaneous. This Assignment constitutes the entire understanding and agreement of the parties with respect to the subject matter hereof and supersede any and all written or oral, prior or contemporaneous understandings and agreements. This Assignment may only be

amended by written agreement of the parties. This Assignment may be executed and delivered by facsimile or portable document format in two or more counterparts, each of which shall be an original and all of which together shall constitute one and the same instrument. This Assignment shall be binding upon the parties, their heirs, successors and assigns, and all others acting by, through, with or under their direction, and all those in privity therewith. The governing law of this Assignment shall be that of the State of Delaware, without regard to its conflicts of law principles.
