KLFF, LLC is the successor to Klone Lab, LLC's business to which the subject trademark applications and registrations pertain.

Please also note that while U.S. Trademark Registration No. 5377030 is not specifically listed on the assignment, this registration was originally part of U.S. Trademark Application Serial No. 87173297 REVITALIGN for "footwear; insoles; socks; clothing, namely, t-shirts, shirts, tank tops, sweatshirts, pants, sweatpants, shorts, skirts, jackets, coats, vests, underwear, undergarments, bodysuits, leotards, tights, leggings, leg warmers, crop pants" in Class 25, filed on September 16, 2016 (the "'297 Application"). Specifically, the '297 Application was divided on October 25, 2017, eleven months after the assignment. A Statement of Use was filed for "clothing; insoles; socks" for the new Application Serial No. 87976203 – which is now U.S. Registration No. 5377030. Therefore, U.S. Reg. No. 5377030 was assigned prior to the filing of the request to divide and the ownership records should be updated, along with the '297 Application. The '297 Application is still pending for "clothing, namely, t-shirts, shirts, tank tops, sweatshirts, pants, sweatpants, shorts, skirts, jackets, coats, vests, underwear, undergarments, bodysuits, leotards, tights, leggings, leg warmers, crop pants."
