NOW, THEREFORE, for \$1.00 (one U.S. dollar) and other good and adequate consideration and in consideration of the mutual agreements, provisions and covenants contained herein, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. DEFINITIONS.

Terms that are capitalized but not specifically defined in this Assignment Agreement shall have the respective meanings ascribed to them in the Purchase Agreement.

2. ASSIGNMENT.

(a) Assignment. Assignor hereby sells, contributes, conveys, assigns, transfers, and delivers to Assignee, free and clear of all Liens (except Permitted Liens) and Liabilities (except Assumed Liabilities), whether arising prior to, on or following the Petition Date, all of Assignor's rights, titles and interests of every kind and nature (including indirect and other forms

of beneficial ownership) in and to the Marks, along with all income, royalties, damages and payments due or payable to Assignor as of the Closing or thereafter, including damages and payments for past, present or future infringements, dilutions or misappropriations thereof or other conflicts therewith, the right to sue and recover for past, present or future infringements, dilutions or misappropriations thereof or other conflicts therewith, and all corresponding rights (including rights of priority) that, now or hereafter, may be secured throughout the world.

(b) Recordation. Assignor hereby requests the Commissioner for Trademarks of the United States Patent and Trademark Office, and the equivalent entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Marks listed on Exhibit A hereto.

3. FURTHER ASSURANCES.

In addition, Assignor shall, at the request of Assignee, execute such written instruments, extend such other cooperation and perform such other acts as may be necessary or appropriate, in the reasonable opinion of Assignee, to convey, establish, evidence, maintain, defend and enforce Assignee's rights in the Marks; and Assignor hereby irrevocably appoints Assignee and any of its officers as Assignor's attorney in fact to undertake such acts in Assignor's name.

At the request of either Party, the other Party shall re-execute the original form of this Assignment Agreement and deliver such form to the other Party. Neither Party shall raise the use of Electronic Delivery to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of Electronic Delivery as a defense to the formation of a contract, and each Party forever waives any such defense, except to the extent such defense relates to lack of authenticity.
