1. Seller hereby sells, conveys, transfers and assigns to, and vests in, Buyer, its successors and assigns forever, all of Seller's right, title and interest, legal or equitable, in and to the trademark FUSION for use with mattresses and box springs (the "Mark"), and all goodwill associated therewith. 4. Transfer of the Mark includes any and all litigious rights related to or arising out of the Mark, including, but not limited to, all rights by Seller to sue for infringement, damages, and declaratory and injunctive relief, regardless of whether such rights arise from conduct occurring before or after the effective date hereof.

5. At any time and from time to time after the date hereof, the Parties shall execute and deliver, or shall cause to be executed and delivered, to the other Party such other instruments and take such other action as may be reasonably requested to carry out the intent and purposes of this Agreement.

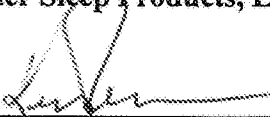

6. This Agreement and the covenants and agreements herein contained shall survive the date hereof and shall inure to the benefit of the Parties and their respective successors and assigns, and shall be binding upon the Parties and their respective successors and assigns.

7. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, and such counterparts shall constitute but one and the same instrument.

8. Each party represents and warrants to the other party as follows: (i) it is an entity duly organized, validly existing and in good standing under the laws of its State of formation; (ii) it has all requisite corporate power and authority to execute and deliver this Agreement and perform all of its obligations hereunder; (iii) it has taken all corporate action necessary for the authorization of this Agreement and the performance of all of its obligations hereunder; and (iv) this Agreement, when executed and delivered by the parties hereto, will be its valid and binding obligation enforceable against it in accordance with the terms hereof, except (a) as limited by applicable bankruptcy, insolvency, reorganization, moratorium or other laws of general application affecting enforcement of creditors' rights, and (b) general principles of equity.
