**TRADEMARK ASSIGNMENT
CORRECTION BY DECLARATION**

This Correction by Declaration is being provided to correct the chain of title in connection with trademark Registration No. 4,742,809 for ELITE HID (the "Trademark"). A Change of Name was erroneously recorded at the United States Patent and Trademark Office on March 15, 2018 on Reel 6292 and Frame 0242, to correct the name of the owner listed for the Trademark. The intent of the Change of Name was to include the corporate identifier, "Inc.", which was omitted from the original trademark application filed on September 16, 2014. However, the original application included additional errors and therefore, a Section 7 Request for Corrections was filed for the Trademark on March 20, 2018 to correct all such errors in the original application and subsequent registration certificate. The Section 7 Request for Corrections has been accepted and a new registration certificate reflecting the original owner as The Retrofit Source, Inc., an Ohio Corporation, has been issued. In view of the accepted Section 7 Request for Corrections, the Change of Name was not needed and should be omitted from the chain of title. With the omission of the Change of Name, the Entity Conversion recorded on March 19, 2018 should update the ownership information of the Trademark to reflect the current owner as, The Retrofit Source, LLC, a Delaware Limited Liability Company. The undersigned declares that all statements made of her own knowledge are true and all statements made on information and beliefs are believed to be true.
