TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement ("Agreement"), effective as of August 31, 2018 ("Effective Date"), is by and between Copy, Inc. a Delaware corporation ("Assignee") and Barracuda Networks, Inc., a Delaware corporation ("Assignor").

WHEREAS, Assignee wishes to acquire certain trademark rights owned or controlled by Assignor, and Assignee is willing to assign such rights to Assignor subject to and the terms of this Agreement, the parties have agreed to execute and deliver this Agreement, for recording with governmental authorities including, but not limited to, the United States Patent and Trademark Office and any foreign equivalent thereof.

NOW THEREFORE, the parties agree as follows:

1. **Assignment.** For the sum of \$100.00, and other good and valuable consideration, the receipt and sufficiency are hereby acknowledged, Assignor hereby irrevocably transfers, conveys and assigns to Assignee, and Assignee hereby accepts, all of Assignor's right, title and interest in and to the following (the "Assigned Trademark"):

(a) the trademark registration set forth on Schedule I hereto and all extensions and renewals thereof;

(b) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

(c) any and all royalties, fees, income, payments and other proceeds hereafter due or payable with respect to any and all of the foregoing; and

(d) any and all claims and causes of action, with respect to any of the foregoing, accruing on and/or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. **Recordation and Further Actions.** Assignor authorizes the Commissioner for Trademarks and any other governmental officials to record and register this Agreement upon request by Assignee. Assignor shall take such steps and actions following the date hereof, including the execution of any documents, files, registrations, or other similar items, as are reasonably requested by Assignee to evidence and ensure that the Assigned Trademark is properly assigned to Assignee, or any assignee thereof or successor thereto.

3. **No Warranties.** Assignor makes no warranties whatsoever with respect to the Assigned Trademark, and Assignor hereby expressly disclaims any implied warranties of title and non-infringement. Assignor shall not be liable to Assignee for any use by Assignee of the Assigned Trademark.

4. **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

5. **Successors and Assigns.** This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

6. **Governing Law.** This Agreement and any claim, controversy, dispute or cause of action based upon, arising out of or relating to this Agreement and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of California, without giving effect to any choice or conflict of law provision or rule (whether of the State of California or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of California.
