This Trademark Assignment Agreement (this "Trademark Assignment Agreement") is made and entered into as of September 10, 2018 (the "Effective Date") by and between Daystar Products International, Inc., a Delaware corporation (the "Assignee"), and HCR Racing, LLC, a Utah limited liability company, (the "Assignor") (the Assignee and the Assignor are collectively referred to as the "Parties").

WHEREAS, the Assignor is the owner of all right, title, and interest in and to the trademark and application and registration therefor set forth on Schedule A hereto, including all common law rights therein and the goodwill associated therewith (the "Trademark"); and

WHEREAS, pursuant to that certain Asset Purchase Agreement, dated as of September 10, 2018 by and between the Assignee and the Assignor, among others (the "Purchase Agreement"), pursuant to which, among other things, the Assignor agreed to assign, sell, convey, and transfer, and desires to assign, sell, convey, and transfer all of the Assignor's right, title, and interest in and to the Trademark to the Assignee, and the Assignee desires to receive all right, title, and interest in and to the Trademark;

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth herein and in the Purchase Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. Definitions. Capitalized terms used in this Trademark Assignment Agreement that are not defined in the body of this Trademark Assignment Agreement have the meanings given to them in the Purchase Agreement.

2. Assignment. The Assignor does hereby irrevocably sell, convey, transfer, assign, and deliver to Assignee, its successors and assigns, and the Assignee purchases and accepts from the Assignor, all of the Assignor's right, title, and interest in and to (a) the Trademark, (b) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing, and (c) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages. The Assignor further consents to recordation of this Trademark Assignment Agreement by the Assignee, including with the United States Patent and Trademark Office or similar foreign offices.

3. Further Assurances. The Assignor agrees to execute, at any time and from time to time upon the request and expense of the Assignee, such additional documents as the Assignee reasonably requests to register and otherwise give full effect to the rights of the Assignee under this Trademark Assignment Agreement in and to the Trademark, including all documents necessary to record in the name of the Assignee the assignment of the Trademark with the United States Patent and Trademark Office or similar foreign offices.

4. Governing Law. This Trademark Assignment Agreement shall be governed by and be construed in accordance with the domestic Laws of the State of Delaware, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of Delaware.
