TRADEMARK ASSIGNMENT

THIS AGREEMENT (“Assignment”) is made on the date set forth below by and between US Duralast, Inc, a corporation organized under the laws of the State of Kansas (“Assignor”) and Inseco, Inc., a corporation organized under the laws of the State of Florida (“Assignee”).

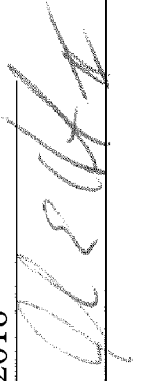

Whereas, Assignor is the owner of the trademark SEALRX used in connection with waterproofing and sealing chemical compositions for articles of concrete, masonry, wood and other building and/or construction surface (hereinafter the “Mark”), and whereas Assignor desires to assign the Mark to Assignee, it is therefore agreed as follows:

For good and valuable consideration, the receipt and sufficiency of which is acknowledged, Assignor hereby irrevocably sells, grants, conveys, assigns and sets over to Assignee, and all of Assignee’s successors and assigns, all of Assignor’s right, title and interest, including, without limitation, the goodwill of the business associated with the Mark, and including United States Trademark Application Serial No. 87640210 for the mark SEALRX filed by US Duralast, Inc.

Assignor represents and warrants to Assignee that Assignor has not heretofore conveyed, sold or otherwise transferred any of the rights set forth herein to any other party. Assignor agrees to perform any further acts and execute and deliver any further documents that may be reasonably necessary to carry out the intents and purposes of this Assignment.

Effective date: July 26, 2018

(Assignor)
