## TRADEMARK ASSIGNMENT

This Trademark Assignment ("Assignment") is made and entered into effective as of this \_\_\_ day of September, 2018 (the "Effective Date"), by and between Solvaira Specialties Inc., a Delaware corporation located and doing business at 50 Bridge Street, North Tonawanda, NY 14120 ("Assignor") and Allied Blending, L.P., a Delaware limited partnership located and doing business at 210 Carbide Ln, Keokuk, IA 52632 ("Assignee").

A. Assignor is the owner of the trademarks and trademark applications and registrations listed in Exhibit A attached hereto; and

B. Assignee wishes to purchase, and Assignor is willing to sell, assign, convey and transfer to Assignee, all right, title and interest in and to each such trademark, trademark application and registration listed in Exhibit A, all goodwill associated therewith and all related and corresponding rights in any jurisdiction in the world (collectively, the "Marks"), on the following terms and conditions.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by Assignor and Assignee, the parties agree as follows:

1. Assignment. Assignor hereby irrevocably sells, assigns, conveys, transfers and sets over to Assignee, its successors and assigns, Assignor's entire worldwide right, title and interest in and to the Marks, the goodwill associated with the Marks, and all registrations that have been or may be granted thereon, all applications for registrations thereof, together with all rights and privileges granted and secured thereby, including all rights to register, renew, defend, and protect interests therein under the applicable laws of all jurisdictions and all claims, demands, income, damages, royalties, payments, accounts and accounts receivable now or hereafter due and/or payable, and rights of action, both statutory and based upon common law, that Assignor has or might have by reason of any past, present or future infringement or other violation of the Marks prior to, on, or after the date of this Assignment, together with the right to prosecute such claims, demands, and rights of action in Assignee's own name, all of said rights to be held and enjoyed by Assignee, for its own use and benefit and for the use and benefit of its successors, assigns or other legal representatives as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.
2. Authorization. Assignor authorizes and requests the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as owner of the Marks, as assignee of the entire right, title and interest in, to and under the same, for the sole use and enjoyment of Assignee, its successors, assigns or other legal representatives.
3. Further Assurances. Assignor shall deliver to Assignee such further information and documents and shall execute and deliver to the Assignee such further instruments and agreements as Assignee shall reasonably request to consummate or confirm the transactions

provided for in this Assignment, to accomplish the purpose of this Assignment or to assure to the Assignee the benefits of this Assignment. The cost of recording and registering ownership rights in the Marks shall be borne solely by Assignee, its successors and assigns.

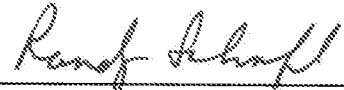

4. Miscellaneous. This Assignment and the exhibits hereto constitute the entire understanding and agreement of the parties with respect to the subject matter hereof and supersede any and all written or oral, prior or contemporaneous understandings and agreements. This Assignment may only be amended by written agreement of the parties. This Assignment may be executed and delivered by facsimile or portable document format in two or more counterparts, each of which shall be an original and all of which together shall constitute one and the same instrument. This Assignment shall be binding upon the parties, their heirs, successors and assigns, and all others acting by, through, with or under their direction, and all those in privity therewith. The governing law of this Assignment shall be that of the State of Delaware, without regard to its conflicts of law principles.

IN WITNESS WHEREOF, the parties have duly executed this Assignment as of the date first above written.
