RELEASE OF INTELLECTUAL PROPERTY SECURITY INTEREST

This RELEASE OF INTELLECTUAL PROPERTY SECURITY INTEREST ("Release") is made and effective as of October 10, 2018 and granted by The Weitz Company, LLC, Ryan and Associates, Inc., Interstates Construction Services Incorporated, Industrial Construction & Engineering, Co. and The Scaffold Company, LLC (collectively, the "Secured Parties"), in favor of Green Biologics, Inc., a Delaware corporation, and Green Biologics Limited, a company incorporated in England and Wales with company number 04358718 whose registered address is 154AH Brook Drive, Milton Park, Abingdon, Oxfordshire, United Kingdom, OX14 4SD (collectively, the "Grantors") and their successors, assigns and legal representatives.

WHEREAS, pursuant to that certain Note Purchase and Security Agreement, dated as of November 4, 2016 (the "Loan Agreement"), among Green Biologics, Inc. and the Secured Parties, the Grantors executed and delivered to the Secured Parties that certain Intellectual Property Security Agreement by and among the Grantors and the Secured Parties dated as of November 4, 2016 (the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, each Grantor pledged and granted to the Secured Parties a security interest in and to all of the right, title and interest of such Grantor in, to and under the IP Collateral (as defined below);

WHEREAS, the Security Agreement was recorded with the United States Patent and Trademark Office at Reel 005956, Frame 0664 on January 3, 2017, and Reel 040827, Frame 0498 on January 3, 2017; and

WHEREAS, the Grantors have requested that the Secured Parties enter into this Release in order to effectuate, evidence and record the release and reassignment to the Grantors of any and all right, title and interest the Secured Parties may have in the IP Collateral pursuant to the Loan Agreement and the Security Agreement.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Secured Parties hereby state as follows:

1. Release of Security Interest. The Secured Parties, and each of their respective successors, legal representatives and assigns, hereby terminate the Security Agreement and terminate, release and discharge any and all security interests that any of them may have pursuant to the Security Agreement in any and all right, title and interest of the Grantors, and reassign to the Grantors any and all right, title and interest that any of them may have, in, to and under the following (collectively, the "IP Collateral"):

(a) any and all patents, patent applications and other patent rights and any other governmental authority-issued indicia of invention ownership, including the patents and patent applications listed in Schedule 1 hereto, and all reissues, divisions, continuations, continuations-in-part, renewals, extensions and reexaminations thereof and amendments thereto (the "Patents");

(b) any and all trademarks, service marks, trade names, brand names, logos, trade dress, design rights and other similar designations of source, whether registered or unregistered, including the trademark registrations and applications set forth in Schedule 2 hereto, together with the goodwill connected with the use thereof and symbolized thereby and all extensions and renewals thereof ("Trademarks");

(c) any and all copyrights, copyright applications and registrations, and like protections in each work of authorship, whether registered or unregistered and whether published or unpublished ("Copyrights");

(d) all rights of any kind whatsoever of such Grantor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

(e) any and all license and other agreements in which such Grantor has granted or is granted a license or other right under any Patent, Trademark or Copyright, including, but not limited to, those set forth in Schedule 3 hereto;

(f) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(g) any and all claims and causes of action with respect to any of the foregoing, whether occurring before, on or after the date hereof, including, without limitation, all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Further Assurances; Recordation. The Secured Parties agree, at the Grantors' expense, to take all further actions, and provide to the Grantors and their successors, assigns and legal representatives all such cooperation and assistance, including, without limitation, the execution and delivery of any and all further documents or other instruments, as the Grantors and their successors, assigns and legal representatives may reasonably request in order to confirm, effectuate or record this Release. The Secured Parties hereby authorize Grantors to record this Release with the United States Patent and Trademark Office and with any other governmental authority(ies) as may be necessary or appropriate.

3. Governing Law. This Release and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Release and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of Iowa, without giving effect to any choice or conflict of law provision or rule (whether of the State of Iowa or any other jurisdiction).

4. Counterparts. This Release may be executed in counterparts (including counterparts executed and/or delivered by facsimile or other electronic transmission), each of which will be deemed an original, but which taken together shall constitute one and the same instrument.
