TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (“**Agreement**”) is dated October 19, 2016 (the “**Effective Date**”) and is between VMware, Inc., a Delaware corporation, (“**Assignor**”) and **Continuent Ltd**, a Delaware corporation (“**Assignee**”). Each of Assignor and Assignee are referred to herein as a “**Party**” or, collectively, as the “**Parties**.”

In connection with the Asset Purchase Agreement, dated October 13, 2016 (the “**Asset Purchase Agreement**”), Assignor has agreed to assign to Assignee all of Assignor’s right, title and interest in the trademark registrations set forth below in Schedule A (the “**Trademarks**”), together with the goodwill of the business connected with and symbolized by the Trademarks.

Assignee desires to acquire said rights in the Trademarks, together with the goodwill of the business connected with and symbolized by the Trademarks.

NOW, THEREFORE, for \$1.00 and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor does hereby sell and assign unto Assignee all of Assignor’s right, title and interest in the Trademarks, together with the goodwill of the business connected with and symbolized by the Trademarks, and all rights for recovery, damages and profits for past, present and future infringements, if any. Assignor hereby authorizes and requests the Commissioner of the United States Patent and Trademark Office, and the corresponding entity or agency in any applicable foreign country, to record Assignee as assignee and owner of the Trademarks.

In case of any conflict between the terms and conditions of this Agreement and the terms and conditions of the Asset Purchase Agreement, the terms and conditions of the Asset Purchase Agreement shall govern. This Agreement may be executed in two or more counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered will be an original, but all of which together will constitute one and the same instrument. Any such counterpart, to the extent delivered by means of Electronic Delivery will be treated in all manner and respects as an original executed counterpart and will be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. This Agreement will be governed by and construed in accordance with the laws of the State of California, regardless of the laws that might otherwise govern under applicable principles of conflicts of law.
