CONFIRMATORY TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT ("**Agreement**") dated as of _____ (the "**Effective Date**") by and between:

- (i) Ericsson Television Inc., a corporation organized and existing under the laws of the state of Delaware, with its registered office presently located at [•] ("**Assignor**"); and
- (ii) Ericsson Inc., a corporation organized and existing under the laws of the state of Delaware, with its registered office presently located at [•] ("**Assignee**").

WITNESSETH:

WHEREAS, Assignor and Assignee are parties to that certain Agreement of Purchase and Sale, dated as of November 30, 2014 ("**Sale Agreement**"); and

WHEREAS, Assignor and Assignee desire to confirm Assignee's ownership of the Assigned Trademarks (as defined below) to Assignee as further set forth below.

NOW, THEREFORE, in consideration of the foregoing and the mutual promises and agreements contained in this Agreement, and for other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Assignment. Assignor hereby acknowledges and agrees that all right, title, and interest throughout the world (under any and all laws and in any and all jurisdictions) in and to all of the trademarks and trademark applications set forth on Schedule A attached hereto, together with all goodwill related therewith (collectively, the "**Assigned Trademarks**"), in each case, have been transferred, assigned and conveyed to and are and shall be owned by Assignee. Each of the Assigned Trademarks are and shall be for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if the Sale Agreement had not been made. Assignor hereby acknowledges and agrees that the assignment included, without limitation, the rights of Assignor, if any, to (A) register or apply in all countries and regions for trademarks, service marks, trade dress and trade names for the Assigned Trademarks; (B) prosecute, maintain and defend the Assigned Trademarks before any public or private agency, office or registrar; (C) claim priority based on the filing dates of any of the Assigned Trademarks under the Convention Establishing the World Intellectual Property Organization, and all other treaties of like purposes; and (D) sue and recover damages or other compensation for past, present or future infringements thereof, the right to sue and obtain equitable relief, including injunctive relief, in respect of such infringements, and the right to fully and entirely stand in the place of Assignor in all matters related to the Assigned Trademarks.

2. Authorization. Assignor also hereby expressly authorizes the respective trademark office or governmental agency in each and every jurisdiction worldwide (including the Commissioner of Patents and Trademarks in the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign countries or multinational authorities) (the "Applicable IP Offices") to: (A) issue any and all trademarks or equivalent which may be granted upon any of the Assigned Trademarks in the name of Assignee, as the assignee to Assignor's interest therein; and (B) record Assignee as the assignee of the Assigned Trademarks and to deliver to Assignee, and to Assignee's attorneys, agents, successors or assigns, all official documents and communications as may be warranted by this Agreement.

3. Further Assurances. Each party hereby agrees to execute and deliver to the other party all necessary documents and take all necessary actions reasonably requested by such party from time to time to confirm or effect the assignments set forth in this Agreement, or otherwise to carry out the purposes of this Agreement, including, without limitation, by providing executed originals of short-form assignment agreements entered into by Assignor and Assignee on the Effective Date for filing or otherwise evidencing the assignments set forth in this Agreement with the Applicable IP Offices; provided, however, that nothing contained herein shall obligate Assignor to incur any cost or pay any expense in connection therewith.

4. Governing Law. This Agreement shall be governed by the laws of Delaware.

5. General Provisions. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or electronic mail shall be as effective as delivery of a manually executed counterpart of this Agreement. This Agreement may not be supplemented, altered, or modified in any manner except by a writing signed by all parties hereto. The failure of any party to enforce any terms or provisions of this Agreement shall not waive any of its rights under such terms or provisions.

[Remainder of this page intentionally left blank.]

IN WITNESS WHEREOF, Assignor and Assignee have caused this instrument to be executed by their respective duly authorized representative as of the Effective Date.
