NUNC PRO TUNC TRADEMARK ASSIGNMENT  
(Effective July 18, 2018)

This Agreement ("Assignment") is entered into freely by and between Landlord Station, LLC ("Assignor"), a Delaware limited liability company, and Priority Real Estate Technology, LLC ("Assignee"), a Delaware limited liability company, and has an effective date of July 18, 2018.

WHEREAS, the Parties entered into a certain Asset Purchase Agreement, on or about July 18, 2018 (the "Purchase Agreement"), pursuant to which, among other things, Assignor agreed to sell, transfer, convey, assign, and deliver to Assignee, and Assignee agreed to purchase and acquire from Assignor, all of Assignor's right, title, and interest in and to the Acquired Assets, including the Intellectual Property (the "Acquired Intellectual Property");

WHEREAS, the Parties are entering into this Assignment to evidence the sale, transfer, conveyance, assignment, and delivery of the Acquired Intellectual Property with respect to trademarks and associated good will by Assignor to Assignee; and

WHEREAS, at the time of the Purchase Agreement, Assignor owned U.S. Trademark Registration No. 4,474,932 for the word mark "LandlordStation" and the entire goodwill of the business symbolized therein (collectively "Trademark") and said Trademark was transferred by the Purchase Agreement.

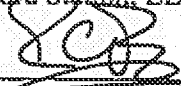

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, ASSIGNOR agrees that ASSIGNOR hereby assigns or has assigned unto ASSIGNEE nunc pro tunc effective as of July 18, 2018, all right, title and interest in and to the Trademark throughout the world, including the above-identified registration thereof, together with all derivations thereof and including all goodwill associated therewith, whether based on common law or the laws of the various states, and the right (but not the obligation) to assert such registered trademarks and other assigned rights to collect for all past, present, and future infringements, and claims for damages and proceeds thereof, including, without limitation, license royalties and proceeds of infringement suits and all rights corresponding thereto throughout the world by reason of any post and future acts of trademark infringement that have occurred or may occur.

The terms of the Purchase Agreement, including the Parties' representations, warranties, covenants, agreements, and indemnities, are not superseded by this Assignment, but remain in full force and effect to the full extent provided in the Purchase Agreement. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms of this Assignment, the terms of the Purchase Agreement will govern.

In testimony whereof, the Parties have signed this instrument in December 2018.
