TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement (the “Agreement”), effective as of July 1, 2018, is made by and between X DEVELOPMENT LLC, a Delaware limited liability company (“Assignor”), and WING AVIATION LLC, a Delaware limited liability company (“Assignee”).

WHEREAS, Assignor and Assignee, along with certain other parties thereto, entered into a certain Contribution and Intellectual Property License Agreement dated as of July 1, 2018, pursuant to which Assignor agreed to convey, assign and transfer and Assignee agreed to accept, among other assets, all of Assignor’s right, title and interest in and to the trademarks and trademark applications set forth in Schedule A attached hereto (hereinafter collectively referred to as the “Marks”); and

WHEREAS, Assignee is the successor to the business of Assignor, or portion thereof, to which the Marks pertain, which business is ongoing and existing.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged:

1. Assignor hereby conveys, assigns and transfers to Assignee all of Assignor’s existing right, title and interest, in and to (i) the Marks, together with all related goodwill and (ii) any and all causes of action and rights of recovery for past, present and future infringement of, and the right to claim priority from, the Marks.

2. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement, it being understood that all parties need not sign the same counterpart. Any signature page delivered electronically shall be binding to the same extent as an original signature page.

3. Assignor will execute any further documents reasonably required by Assignee to effect or record the assignment of the Marks.
