TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT ("**Agreement**") dated as of January 31, 2019 (the "**Effective Date**") by and between:

- (i) Telefonaktiebolaget L M Ericsson (publ), a company duly established under the laws of Sweden, with registration number 556016-0680, having its registered office at SE-164 83 Stockholm, Sweden ("**Assignor**"); and
- (ii) Leone Media Inc., a company incorporated under the laws of Delaware, and having its registered office at 251 Little Falls Drive, Wilmington, DE 19808 ("**Assignee**").

WITNESSETH:

WHEREAS, Assignor now wishes to transfer its rights in the Assigned Trademarks (as defined below) to Assignee as further set forth below.

NOW, THEREFORE, in consideration of the foregoing and the mutual promises and agreements contained in this Agreement, and for other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Assignment.** Assignor hereby transfers, assigns and conveys to Assignee its right, title, and interest throughout the world (under any and all laws and in any and all jurisdictions) in and to all of the trademarks and trademark applications set forth on Schedule A attached hereto, in each case together with all goodwill of the business related therewith, and that portion of Assignor's business to which such trademarks pertain (collectively, the "**Assigned Trademarks**"). Pursuant to the foregoing assignment, each of the Assigned Trademarks shall hereafter be for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this Agreement had not been made. The foregoing assignment includes, without limitation, the rights of Assignor, if any, to (A) register or apply for registration of the Assigned Trademarks in all countries and regions as trademarks, service marks, trade dress, trade names and domain names; (B) prosecute, maintain and defend the Assigned Trademarks before any public or private agency, office or registrar; (C) claim priority based on the filing dates of any of the Assigned Trademarks under the Convention Establishing the World Intellectual Property Organization, the Paris Convention, the European Union Intellectual Property Office, the African Regional Intellectual Property Organisation, and all other international and regional treaties of like purposes; and (D) sue and recover damages or other compensation for past, present or future infringements thereof, the right to sue and obtain equitable relief, including injunctive relief, in respect of such infringements, and the right to fully and entirely stand in the place of Assignor in all matters related to the Assigned Trademarks.

2. Authorization. Assignor also hereby expressly authorizes the respective trademark office or governmental agency in each and every jurisdiction worldwide (including the Commissioner of Patents and Trademarks in the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign countries or multinational authorities) (the “**Applicable IP Offices**”) to: (A) issue any and all trademarks or equivalent which may be granted upon any of the Assigned Trademarks in the name of Assignee, as the assignee to Assignor’s interest therein; and (B) record Assignee as the assignee of the Assigned Trademarks and to deliver to Assignee, and to Assignee’s attorneys, agents, successors or assigns, all official documents and communications as may be warranted by this Agreement.

3. Further Assurances. Each party hereby agrees to execute and deliver, to the other party all necessary documents and take all necessary actions reasonably requested by such party from time to time to confirm or effect the assignments set forth in this Agreement, or otherwise to carry out the purposes of this Agreement, including, without limitation, by providing executed originals of short-form assignment agreements for filing or otherwise evidencing the assignments set forth in this Agreement with the Applicable IP Offices; provided, however, that nothing contained herein shall obligate Assignor to incur any out-of-pocket cost or pay any expense in connection therewith.

4. Governing Law. This Agreement shall be governed by the laws of Delaware.

5. General Provisions. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or electronic mail shall be as effective as delivery of a manually executed counterpart of this Agreement. This Agreement may not be supplemented, altered, or modified in any manner except by a writing signed by all parties hereto. The failure of any party to enforce any terms or provisions of this Agreement shall not waive any of its rights under such terms or provisions.

[Remainder of this page intentionally left blank.]

IN WITNESS WHEREOF, Assignor and Assignee have caused this instrument to be executed by their respective duly authorized representative as of the Effective Date.
