TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (as amended, restated, amended and restated, extended, supplemented or otherwise modified from time to time, this “**Trademark Security Agreement**”) dated as of February 2, 2018, is made by the Person listed on the signature page hereof (the “**Grantor**”) in favor of Credit Suisse International, as the Collateral Agent.

Reference is made to that certain Credit Agreement, dated as of September 30, 2016 (as amended, restated, amended and restated, extended, supplemented or otherwise modified from time to time, the “**Credit Agreement**”), by and among Avast Software B.V., a company organized under the laws of the Netherlands with corporate seat in Amsterdam, the Netherlands, Sybil Software LLC, a Delaware limited liability company, as the U.S. Borrower, Avast Software s.r.o., a company organized under the laws of the Czech Republic, as the Czech Borrower, Avast Holding B.V., a company organized under the laws of the Netherlands with corporate seat in Amsterdam, the Netherlands, as Holdings, certain Restricted Subsidiaries of the Company party thereto from time to time, as Revolving Borrowers, Credit Suisse International, as the Administrative Agent and the Collateral Agent, and the Lenders party thereto from time to time.

The Lenders have agreed to extend credit to the Borrowers subject to the terms and conditions set forth in the Credit Agreement. The several and not joint obligations of the Lenders to extend credit to the Borrowers are conditioned upon, among other things, the execution and delivery of this Trademark Security Agreement by the Grantor. The Grantor is a subsidiary of Avast Software B.V. and will derive substantial direct and indirect benefits from the Credit Extensions and is willing to execute and deliver this Trademark Security Agreement in order to induce the Lenders to extend credit to the Borrowers.

Under the terms of the Credit Agreement and the terms hereunder, the Grantor has granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantor, and has agreed to execute this Trademark Security Agreement for recording with the U.S. Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

SECTION 1. Terms. Terms defined in the Credit Agreement and not otherwise defined herein are used herein as defined in the Credit Agreement.

SECTION 2. Grant of Security. The Grantor hereby grants to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a continuing security interest in all of the Grantor’s right, title and interest in, to and under its trademarks (which include trademarks and trademark applications now owned or hereafter acquired), including the trademarks set forth on Schedule A attached hereto; provided that in no event shall any security interest be granted in any “intent-to-use” application for registration of a trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. §1051, prior to the filing of a “Statement of Use” pursuant to Section 1(d) of the Lanham Act or an “Amendment to Allege Use” pursuant to Section 1(c) of the Lanham Act with respect thereto, to the extent that, and during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law (it being understood that after such period such intent-to-use application shall be automatically subject to the security interest granted herein).

SECTION 3. Security for Obligations. The grant of a security interest in trademarks by the Grantor under this Trademark Security Agreement is made to secure the payment or performance, as the case may be, in full of the Obligations.

SECTION 4. Recordation. The Grantor authorizes and requests that the Commissioner for Trademarks record this Trademark Security Agreement.

The Grantor shall within 7 Business Days from execution of this Trademark Security Agreement:

(a) make a filing of this Trademark Security Agreement and the necessary forms with the Cyprus Registrar of Companies for the registration of a charge and deliver to the Collateral Agent evidence that the filing has been made and associated fees have been paid; and

(b) make an entry of the particulars of this Trademark Security Agreement on its register of charges and deliver to the Collateral Agent a certified true copy of the register of charges evidencing that this has been done.

The Grantor shall, promptly upon receipt, deliver to the Collateral Agent a certificate of charge issued by the Cyprus Registrar of Companies evidencing that the Cyprus Registrar of Companies has registered a charge in favor of the Collateral Agent.

SECTION 5. Release of Security. The Collateral Agent shall, promptly upon the reasonable request of the Grantor in accordance with Section 9.11 of the Credit Agreement or upon the Termination Date, deliver to the Grantor (at the Grantor's sole cost and expense) a fully executed and recordable release of the security interest granted herein.

SECTION 6. Execution in Counterparts. This Trademark Security Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Trademark Security Agreement shall become effective when the Collateral Agent shall have received a counterpart of this Trademark Security Agreement that bears the signature of the Grantor and the Collateral Agent has executed a counterpart hereof. Delivery of an executed counterpart of a signature page of this Trademark Security Agreement by telecopy or other electronic imaging means (including in .pdf format via electronic mail) shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

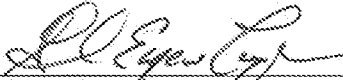

SECTION 7. Credit Agreement. This Trademark Security Agreement has been entered into in conjunction with the provisions of the Credit Agreement. The Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the Collateral are more fully set forth in the Credit Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Credit Agreement, the provisions of the Credit Agreement shall control.

SECTION 8. Governing Law. **THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.**
