TRADEMARK SECURITY AGREEMENT

This "Trademark Security Agreement," dated as of February 26, 2019, is made between Beaumont Products, Inc., a Georgia corporation ("Grantor") in favor of Hero Clean, LLC, a Delaware limited liability company (the "Secured Party").

BACKGROUND

The Grantor has entered into an asset purchase agreement, dated February 26, 2019, with the Secured Party (the "Asset Purchase Agreement").

As a security for the payment of the Royalties, as that term is defined in the Asset Purchase Agreement, and to perform all of Grantor's other obligations under the Asset Purchase Agreement, Grantor is executing this agreement granting a security interest to the Secured Party in certain intellectual property described in this Trademark Security Agreement and has agreed to deliver this Trademark Security Agreement for recording with governmental authorities, including, but not limited to, the United States Patent and Trademark Office.

Accordingly, the parties agree as follows:

1. Grant of Security. Grantor hereby pledges and grants to the Secured Party a security interest in and to all of the right, title, and interest of Grantor in, to, and under the following (the "Trademark Collateral"):

(a) the trademarks and trademark registrations set forth in Schedule 1 hereto, together with the goodwill connected with the use of and symbolized thereby, and all extensions and renewals thereof (the "Trademarks");

(b) all rights of any kind whatsoever of Grantor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

(c) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(d) any and all claims and causes of action, with respect to any of the foregoing, whether occurring before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right, but no obligation, to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation. Grantor authorizes the Commissioner for Trademarks and any other government officials to record and register this Trademark Security Agreement upon request by the Secured Party.

3. Asset Purchase Agreement. This Trademark Security Agreement has been entered into pursuant to and in conjunction with the Asset Purchase Agreement, which is hereby incorporated by reference. The provisions of the Asset Purchase Agreement shall supersede and control over any conflicting or inconsistent provision herein. The rights and remedies of the Secured Party with respect to the Trademark Collateral are as provided by the Asset Purchase Agreement and related documents, and nothing in this Trademark Security Agreement shall be deemed to limit such rights and remedies.

4. Execution in Counterparts. This Trademark Security Agreement may be executed in counterparts, each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Trademark Security Agreement by facsimile or in electronic format (e.g., "pdf" or "tif" format) will be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

5. Successors and Assigns. This Trademark Security Agreement will be binding on and shall inure to the benefit of the parties hereto and their respective successors and assigns.

6. Governing Law; Submission to Jurisdiction. This Trademark Security Agreement and any claim, controversy, dispute, or cause of action (whether in contract or tort or otherwise) based upon, arising out of, or relating to this Trademark Security Agreement and the transactions contemplated hereby and thereby will be governed by, and construed in accordance with, the laws of the State of Georgia without giving effect to any choice or conflict of law provision or rule (whether of the State of Georgia or any other jurisdiction) that would cause the application of laws of any jurisdiction other than those of the State of Georgia. Any legal suit, action or proceeding arising out of or relating to this Trademark Security Agreement, and any claim, controversy, dispute, or cause of action (whether in contract or tort or otherwise) based upon, arising out of, or relating to this Trademark Security Agreement and the transactions contemplated hereby and thereby will only be instituted in the federal courts of the United States located in the United States District Court for the Northern District of Georgia, or, if there is no federal subject matter jurisdiction, the courts of the State of Georgia in Cobb County, and each party irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action or proceeding and acknowledges that such courts are a convenient forum for resolution of all such disputes.

The parties have executed this Trademark Security Agreement as of the date first above written.
