TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Trademark Assignment") from VM INNOVATIONS, INC., a Nebraska corporation ("Assignor") to SIGILO, LLC, a Delaware limited liability company ("Assignee"), is effective as of May 31, 2019.

**WHEREAS**, Assignor and Assignee have entered into an Asset Contribution Agreement of even date herewith (the "Contribution Agreement"), pursuant to which, among other things, Assignor has agreed to assign to Assignee the Trademarks (as defined below).

1. Assigned Trademarks. The term "Trademarks" means the trademark registrations set forth on Schedule A attached hereto.

2. Assignment. For good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, Assignor hereby irrevocably sells, assigns, transfers and delivers to Assignee all of Assignor's right, title and interest in and to the Trademarks, together with the goodwill of Assignor's business appurtenant thereto, and all registrations and applications (including intent-to-use applications) for the Trademarks, in all countries throughout the world, together with all rights of Assignor in and to income, royalties, damages and payments in respect of the Trademarks, and all causes of action for any and all previously occurring infringement of the rights being assigned and the right to receive and retain the proceeds or other remedies relating to those infringements.

3. Further Assurances. Assignor agrees to execute such further assignments and documents and to do such other acts as may be necessary or reasonably desirable to vest all of Assignor's right, title and interest in and to the Trademarks throughout the world in Assignee or as may be necessary or reasonably desirable to obtain, renew, or issue the Trademarks, including instructing the registrar for the Trademarks to transfer the Trademarks to Assignee. In the event that a trademark registrar does not accept or recognize this Trademark Assignment, Assignor hereby agrees that this document shall constitute a request by Assignor to the registrar to transfer the registration of the Trademarks to Assignee.

4. Governing Law. This Trademark Assignment shall be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of choice or conflicts of law thereof.

*[The remainder of this page is intentionally left blank; signature page follows.]*

IN WITNESS WHEREOF, Assignor has caused this Trademark Assignment to be executed as of the date first written above by its duly authorized officer.

ASSIGNOR:  
VM INNOVATIONS, INC.
