Trademark Assignment Agreement
Helm

This Trademark Assignment Agreement ("Agreement") is effective as of the 15 th day of August, 2019 by and between The Linux Foundation, an Oregon non-profit corporation ("Assignee"), having a place of business at 1 Letterman Drive, Building D, Suite D4700, San Francisco California, 94129 USA, and Microsoft Corporation, a Washington corporation ("Assignor"), having a place of business at One Microsoft Way Redmond, Washington 98052.

- 1) **Background**. Assignor is the owner of the Helm trademark, domain names and other source indicators and all registered accounts that either (i) incorporate "helm" or (ii) are used, or relied upon, by the project (including, without limitation, social media and GitHub accounts ("Accounts")), all as set forth in Schedule 1 (collectively, the "Trademarks"). Assignor wishes to transfer and assign all title, rights, and interest in and to the Trademarks to Assignee.
- 2) **Assignment of Rights**. For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby transfers and assigns to Assignee all rights, title and interest as Assignor may possess, anywhere in the world, in and to the Trademarks together with the goodwill symbolized by said Trademarks.
- 3) **Assistance**. Assignor will assist Assignee as reasonably necessary to transfer the rights hereby assigned. Assignor will take such reasonable action as may be required to transfer ownership for any Account to The Linux Foundation, as The Linux Foundation may reasonably request. Assignor hereby appoints Assignee as Assignor's attorney-in-fact to execute all documents on behalf of Assignor for this limited purpose. To the best knowledge of Assignor, neither the execution or performance of this Agreement will violate the terms of any agreement between the Assignor and any third party.

Assignor agrees not to use the Trademarks after the effective date of the assignment except as expressly permitted by Assignee, and will not challenge, interfere with or oppose Assignee's use, application or registration of the Trademarks.
