Section 5. Restrictions on Future Agreements.

(a) Each Grantor agrees that until the Secured Obligations have been paid and satisfied in full and the Finance Documents have been terminated, such Grantor will not, without the Secured Party's prior written consent, enter into any document, instrument or agreement which is inconsistent with such Grantor's obligations under this Agreement. Each Grantor further agrees that it will not take any action, or permit any action to be taken by others subject to its control, including licensees, or fail to take any action, which would affect the validity or enforcement of the rights transferred to the Secured Party under this Agreement.

(b) Each Grantor hereby represents and warrants to the Secured Party that such Grantor has not granted any license to any person or entity other than the Secured Party in connection with any of the IP Collateral. Each Grantor hereby covenants unto the Secured Party that until the payment in full of the Secured Obligations and the termination of the Finance Documents, such Grantor shall not grant any license to any third party in connection with the IP Collateral without the Secured Party's prior written consent, which consent shall not be unreasonably withheld.

Section 7. Royalties; Term. Each Grantor hereby agrees that the use by the Secured Party of all IP Collateral after an Event of Default as described above shall be without any liability for royalties or other related charges from the Secured Party to such Grantor. The term of the assignments granted herein shall extend until the earlier of (i) the expiration of each of the respective Trademarks, Patents and Copyrights assigned hereunder, or (ii) the payment to the Secured Party of the Secured Obligations in full and the termination of the Finance Documents.

The Secured Party shall have the right to inspect each Grantor's premises and to examine each Grantor's books, records and operations, including, without limitation, such Grantor's quality control processes. Upon an Event of Default, each Grantor agrees that the Secured Party shall have the right to establish such additional product quality controls as the Secured Party, in its sole discretion, may deem necessary to assure maintenance of the quality of products sold by such Grantor under the Trademarks, Patents and Copyrights. Each Grantor agrees (i) not to sell or assign its interest in, or grant any licenses under, the Trademarks, Patents or Copyrights; (ii) to maintain the quality of any and all products produced in connection with the IP Collateral consistent with the quality of said products as of the date hereof; and (iii) not to adversely change or alter the quality of said products in any way without the Secured Party's prior written consent.

Section 9. Nature and Termination of the Secured Party's Security Interests. This Agreement is made for collateral purposes only. Except as otherwise provided in Sections 5, 8, 11 and 15 hereof, nothing contained herein shall be deemed to limit in any way a Grantor's right to use the Trademarks, Patents and Copyrights or to grant to the Secured Party any right to use the Trademarks, Patents, or Copyrights prior to an Event of Default.

Each Grantor shall have the duty (i) to prosecute diligently any trademark, patent, or copyright registration pending as of the date hereof or at any time hereafter, until the Secured Obligations shall have been paid in full, (ii) to make applications for trademarks, patents or copyrights, as appropriate, and (iii) to preserve and maintain all IP Collateral. For the purpose of enabling the Secured Party to exercise rights and remedies under this Section 11 (including in order to take possession of, collect, receive, assemble, process, appropriate, remove, realize upon, sell, assign, convey, transfer or grant options to purchase any IP Collateral) at such time as the Secured Party shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to the Secured Party an irrevocable, nonexclusive, worldwide license (exercisable without payment of royalty or other compensation to such Grantor), including in such license the right to sublicense, use and practice any of the IP Collateral now owned or hereafter acquired by such Grantor and access to all media in which any of the licensed items may be recorded or stored and to all software and programs used for the compilation or printout thereof which license (A) should be subject to any already existing licenses granted by such Grantor, to the extent conflicting, (B) may be exercised, at the

(e) Secured Party's Right to Sue. Upon the occurrence and during the continuance of an Event of Default, the Secured Party shall have the right, but shall in no way be obligated, to bring suit in its own name or in the name of the applicable Grantor to enforce the Trademarks, Patents and Copyrights. If the Secured Party shall commence any such suit, such Grantor shall, at the request of the Secured Party, do any and all acts and execute any and all instruments, documents and agreements required by the Secured Party to enforce such IP Collateral, and such Grantor shall promptly, upon demand, reimburse and indemnify the Secured Party for all costs and expenses incurred by the Secured Party in the exercise of its rights and remedies under this Section 11. Except as set forth in this Section 11, each Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with the IP Collateral and any licenses thereof subject to a security interest hereunder.

(f) Deficiency. Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of any IP Collateral are insufficient to pay the Secured Obligations and the fees and disbursements of any attorney employed by the Secured Party to collect such deficiency.

Section 12. Waivers.
