**ANNEX B  
TRADEMARK ASSIGNMENT**

This TRADEMARK ASSIGNMENT (this "Assignment") is made and entered into effective as of November 8, 2019, by and between ComplianceSigns, Inc., an Illinois corporation with an address at 56 South Main Street, Chadwick, IL 61014 ("Assignor"), and Sign Gate, LLC, a Florida limited liability company with an address at 1751 Lake Cook Road, Suite 370, Deerfield, IL 60015 ("Assignee").

Assignor and Assignee are parties to the IP Assignment Agreement dated as of the same date hereof (the "IP Assignment Agreement"), whereby Assignor has agreed to assign the trademarks and trademark registrations set forth on Attachment A, and has agreed to execute and deliver this Assignment for recording with governmental authorities including, but not limited to, the United States Patent and Trademark Office.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment. Assignor hereby irrevocably conveys, transfers and assigns to Assignee all of Assignor's right, title and interest in and to the following (the "Trademarks"), together with the goodwill of the business connected with the use of, and symbolized by, the Trademarks:

- a) trademarks and trademark registrations, and all extensions and renewals thereof, set forth on Attachment A hereto, provided that, with respect to the United States intent-to-use trademark applications set forth on Attachment A, if any, the transfer of such applications accompanies, pursuant to the IP Assignment Agreement, the transfer of Assignor's business, or portion of the business to which the trademark pertains, and that business is ongoing and existing;
- b) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;
- c) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and
- d) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this Assignment upon request by Assignee. Following the date hereof, upon Assignee's reasonable

request, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be necessary to effect, evidence or perfect the assignment of the assigned Trademarks to Assignee, or any assignee or successor thereto. Assignee agrees and acknowledges that to the best of its knowledge the recordal of this Assignment will not cause confusion amongst the public.

3. Assignment. This Assignment shall be binding upon and inure to the benefit of the parties to this Assignment and their successors and assigns.

4. Counterparts. This Assignment may be executed in multiple counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties delivered to the other party, it being understood that all parties need not sign the same counterpart. Copies of this Assignment with signatures transmitted by facsimile or electronically (e.g., pdf) shall be deemed to be original signed versions of this Assignment.
