TRADEMARK ASSIGNMENT

This Trademark Assignment ("Assignment") is made and entered into effective as of 1st April, 2018 (the "Effective Date"), by and between Styleline Studios International Limited, a Hong Kong limited liability company ("Assignor") and Styleline Studios, LLC, a New York limited liability company ("Assignee").

A. Assignor is the owner of the trademark J/SLIDES and all common law rights therein and all applications and registrations therefore, including those listed in Exhibit A attached hereto (the "Trademark"); and

B. Assignee wishes to purchase, and Assignor is willing to sell, assign, convey and transfer to Assignee, all right, title and interest in and to the Trademark and trademark registration listed in Exhibit A, all goodwill associated therewith and all related and corresponding rights in any jurisdiction in the world, on the following terms and conditions.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by Assignor and Assignee, the parties agree as follows:

1. Assignment. Assignor hereby irrevocably sells, assigns, conveys, transfers and sets over to Assignee, its successors and assigns, the entire worldwide right, title and interest in and to the Trademark, the goodwill of the business symbolized by the Trademark, and all registrations that have been or may be granted thereon, all applications for registrations thereof, and all common law rights and copyright rights in the Trademark worldwide, together with all rights and privileges granted and secured thereby, including all rights to register, renew, defend, and protect interests therein under the applicable laws of all jurisdictions and all claims, demands, income, damages, royalties, payments, accounts and accounts receivable now or hereafter due and/or payable, and rights of action, both statutory and based upon common law, that Assignor has or might have by reason of any past, present or future infringement or other violation of the Trademark prior to, on, or after the date of this Assignment, together with the right to prosecute such claims, demands, and rights of action in Assignee's own name, all of said rights to be held and enjoyed by Assignee, for its own use and benefit and for the use and benefit of its successors, assigns or other legal representatives as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

2. Authorization. Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States to record Assignee as owner of the Trademark, as assignee of the entire right, title and interest in, to and under the same, for the sole use and enjoyment of Assignee, its successors, assigns or other legal representatives.

3. Further Assurances. Assignor will promptly execute any additional assignment or other documents reasonably requested by Assignee, its successors and assigns, and do all other lawful acts reasonably necessary to carry out the intent of this Assignment. The cost of recording and registering ownership rights in the Trademark shall be borne solely by Assignee, its successors and assigns.

4. Miscellaneous. This Assignment and the exhibit hereto constitute the entire understanding and agreement of the parties with respect to the Master Deed signed on 1ST April 2018. In the case of conflict with the Master Deed, the terms of the Master Deed will prevail.
