2. Assignment. For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby unconditionally and irrevocably assigns, transfers and conveys to Assignee, its successors and assigns, all of its right, title, and interest, throughout the world, in, to, and under the Assigned Trademarks and all registrations and applications for registration thereof and all common law rights with respect thereto together with all goodwill of the business in which the Assigned Trademarks are used and which is symbolized by the Assigned Trademarks, including, without limitation, the exclusive rights (a) to apply for and maintain all registrations, renewals and/or extensions thereof, (b) to all claims and causes of action to recover past, present and future damages, royalties, fees, income, payments, profits and other proceeds or other relief or restitution, and equitable and injunctive relief ensuing from past, present and future infringement, dilution, misappropriation, unfair competition, violation, and/or misuse of the Assigned Trademarks, (c) to any and all licenses or other similar contractual rights for the Assigned Trademarks, (d) to grant licenses or other interests in the Assigned Trademarks, (e) to any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any of the Assigned Trademarks, and (f) to otherwise fully and entirely stand in the place of Assignor in all matters related to the Assigned Trademarks.
