ASSIGNMENT OF TRADEMARKS

This Assignment of Trademarks (the "Assignment") is entered into as of this 1st day of January, 2020, by and between Kretek International, Inc., a California corporation, located at 5449 Endeavour Court, Moorpark, California 93021 (hereinafter referred to as "Assignor"), and Dryft Sciences, LLC, a California limited liability company, located at 5445 Endeavour Court, Moorpark, California 93021 (hereinafter referred to as "Assignee").

WHEREAS, Assignee is a successor to that portion of Assignor's ongoing and existing business to which the marks pertain, and Assignor and Assignee have agreed to assign certain assets of the Assignor which include, among others, trademarks and United States, Canadian and European Union trademark applications and registrations listed on the attached Schedule A (the "Trademarks"); and

WHEREAS, Assignee is desirous of acquiring the Trademarks, and Assignor has agreed to assign to Assignee its entire worldwide right, title and interest in, to and under the Trademarks, together with the goodwill of the business connected with the use of and symbolized by the Trademarks;

NOW THEREFORE, and incorporating all above paragraphs as part of this agreement, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound hereby, Assignor hereby sells, assigns, transfers and conveys to Assignee its entire worldwide right, title and interest in, to and under the Trademarks, and any associated applications and registrations therefor, together with the goodwill of the business connected with the use of and symbolized by the Trademarks, and all rights and causes of action to recover past, present or future damages, royalties, fees, profits or other relief, including but not limited to, equitable and injunctive relief ensuing from infringement of the Trademarks.

Assignor further represents and warrants that it has not transferred, assigned, hypothecated or granted a security interest in the Trademarks to any third party.

Assignor further represents and warrants that it has the full right to sell, transfer, and assign the Trademarks to Assignee, and has good and marketable title thereto, free and clear of all liens. Following this Assignment, Assignee will be the lawful owner of, and have good title to, the Trademarks, free and clear of all liens.

Further, Assignor agrees to execute and provide promptly after the execution hereof, such further instruments, documents or assignments as may be reasonably necessary to effectuate the purposes of this transaction and to consolidate, vest and record in Assignee its rights in, to and under the Trademarks.

IN WITNESS WHEREOF, the parties hereto have caused this Assignment to be duly executed and delivered as of the date first above written.
