TRADEMARK SECURITY AGREEMENT, dated as of June 8, 2020, between THE DENVER NUGGETS LIMITED PARTNERSHIP (the “Borrower”) and JPMORGAN CHASE BANK, N.A. as Collateral Agent (the “Collateral Agent”).

Reference is made to the Security Agreement dated as of June 8, 2020 (as amended, restated, supplemented or otherwise modified from time to time, the “Security Agreement”), between the Borrower and the Collateral Agent. The Purchaser has agreed to extend Advances to the Borrower subject to the terms and conditions set forth in the Note Purchase Agreement dated as of May 5, 2003, as amended and restated by the Fourth Amendment and Restatement Agreement dated as of April 2, 2015, and as amended by the First Amendment dated as of October 4, 2018 (as further amended, restated, supplemented or otherwise modified from time to time, the “Note Purchase Agreement”). The obligation of the Purchaser to extend such Advances is conditioned upon, among other things, the execution and delivery of this Agreement. The Borrower will derive substantial benefits from the extension of credit to the Borrower pursuant to the Note Purchase Agreement and is willing to execute and deliver this Agreement in order to induce the Purchaser to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Section 1.01(b) of the Security Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, the Borrower, pursuant to the Security Agreement, did and hereby does grant to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in all right, title or interest in, to and under any and all of the following assets and properties now owned or at any time hereafter acquired by the Borrower or in which the Borrower now has or at any time in the future may acquire any right, title or interest (collectively, the “Trademark Collateral”):

(a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all United States registrations and recordings thereof, and all United States registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule I (the “Trademarks”); and

(b) all goodwill associated with or symbolized by the Trademarks.

SECTION 3. Security Agreement. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. The Borrower hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.
