**WITNESSETH:**

WHEREAS, pursuant to that certain Note Purchase Agreement dated as of July 8, 2016 among the Grantors, the Administrative Agent and the Purchasers (as defined therein) (as amended, supplemented, amended and restated or otherwise modified from time to time, the “Note Purchase Agreement”), the Purchasers have agreed to purchase Notes from the Issuers from time to time in accordance with the terms of the Note Purchase Agreement;

WHEREAS, pursuant to that certain Security Agreement, dated as of even date herewith, by and among Grantors, the other grantors party thereto and Administrative Agent (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the “Security Agreement”), as security for all Obligations, each Grantor granted to Administrative Agent, for the benefit of the Secured Parties, a continuing security interest in, lien on, and right of set-off against all Trademarks of such Grantor, whether now owned or existing or hereafter acquired or arising; and

WHEREAS, pursuant to the Security Agreement, each Grantor is required to execute and deliver to Administrative Agent, for the benefit of Secured Parties, this Agreement.

NOW, THEREFORE, in consideration of the premises and the mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. **DEFINED TERMS.** All capitalized terms used but not otherwise defined herein (including in the recitals above) have the meanings given to them in the Note Purchase Agreement.

2. **GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL.** Each Grantor hereby grants to Administrative Agent, for the benefit of the Secured Parties, a continuing second priority security interest in, and lien upon, all of such Grantor's presently existing or hereafter acquired right, title and interest in and to the Trademarks, including, without limitation, the Trademarks set forth on Schedule A hereto, all related goodwill, and all proceeds and products thereof.

Notwithstanding the foregoing or anything else contained herein to the contrary, "Trademarks" shall not include any "intent to use" trademark application until such time as such Grantor begins to use such trademark.

3. **SECURITY AGREEMENT.** The security interests granted pursuant to this Agreement are granted in conjunction with, and not in limitation of, the security interests granted to Administrative Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Administrative Agent with respect to the security interest in the Trademarks and related Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

4. **EXECUTION IN COUNTERPARTS.** This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall constitute an original, but all of which shall constitute a single contract. It shall not be necessary in making proof of this Agreement to produce or account for more than one such counterpart. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or other electronic imaging means shall be effective as delivery of a manually executed counterpart of this Agreement.

5. **GOVERNING LAW.** This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York without giving effect to its choice of law provisions.
