WHEREAS, pursuant to the Credit Agreement, Grantors are required to execute and deliver to Agent, for the benefit of the Lenders, this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Credit Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby grants to Agent, for the benefit of the Lenders, a continuing security interest in and to and Lien on all of such Grantor's right, title and interest in, to and under the following, whether now owned or existing or hereafter created or acquired (collectively, the “Trademark Collateral”):

(a) all of such Grantor's trademarks, trade names, corporate names, company names, business names, fictitious business names, brands, trade dress, uniform resource locators, domain names, tag lines, designs, graphics, trade styles, service marks, logos and other source or business identifiers, and all goodwill associated with the foregoing, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office (“USPTO”), or in any similar office or agency of the United States, any State thereof, or any other country or any political subdivision thereof, or otherwise, and all common-law rights related thereto (collectively,

“Trademarks”) and licenses for any of the foregoing (“Licenses”), including, without limitation, including those referred to on Schedule I hereto;

(b) all extensions or renewals of the foregoing; and

(c) all products and proceeds of the foregoing, including any claim by such Grantor against third parties for past, present or future infringement or dilution of any Trademark or any Trademark licensed under any License.

provided, however, the Trademark Collateral excludes all Excluded Property. Notwithstanding the foregoing, for purposes of this Trademark Security Agreement, the Credit Agreement and the Other Documents, no Lien granted to Agent on any “intent-to-use” United States trademark applications is intended to be a present assignment thereof. For purposes of this Section 2, “intent-to-use” shall mean United States trademark applications to the extent that an amendment to allege use or statement of use has not been filed under 15 U.S.C. §1051(c) or 15 U.S.C. §1051(d), respectively, or if filed, has not been deemed in conformity with 15 U.S.C. §1051(a) or (c).

3. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the security interest created hereby secure the payment and performance of all the Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by Grantors, or any of them, to Agent, the Lenders or any of them, whether or not they are unenforceable or not allowable due to the existence of an insolvency proceeding involving any Grantor.

4. CREDIT AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Agent, for the benefit of the Lenders, pursuant to the Credit Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. NEW TRADEMARKS. If any Grantor shall obtain rights to any new Trademarks or Licenses for Trademarks, this Trademark Security Agreement shall automatically apply thereto. Grantors shall give prompt notice in writing to Agent with respect to a U.S. federal registration and application for registration of the foregoing owned by any Grantor. Each Grantor agrees to execute and deliver to Agent from time to time, upon demand, such supplemental agreements, amendments, assignments and transfers, or instructions or documents relating to the this Trademark Security Agreement to reflect any new U.S. federal registration and application for registration of any Trademark or License for Trademark. Upon failure of any Grantor to comply with its obligations under this Section 5, Grantors hereby authorize Agent unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any such new Trademarks or Licenses for Trademarks of Grantors. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Agent's continuing security interest in all Trademark Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. In proving this Trademark Security Agreement or any Other Document in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures delivered by a party by facsimile transmission or by e-mail transmission shall be deemed an original signature hereto.

7. TERMINATION. This Trademark Security Agreement shall terminate and the security interest in and to and Lien on the Trademark Collateral shall be released upon the occurrence of the Termination Date. Upon the termination of this Trademark Security Agreement, the Agent shall execute termination documents in form for filing with the USPTO, at the sole cost of the Grantors, to evidence and record the release of the security interests in and to and Lien on the Trademark Collateral granted herein.

8. CONSTRUCTION. Unless the context of this Trademark Security Agreement or any Other Document clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms “includes” and “including” are not limiting, and the term “or” has, except where otherwise indicated, the inclusive meaning represented by the phrase “and/or.” The words “hereof,” “herein,” “hereby,” “hereunder,” and similar terms in this Trademark Security Agreement or any Other Document refer to this Trademark Security Agreement or such Other Document, as the case may be, as a whole and not to any particular provision of this Trademark Security Agreement or such Other Document, as the case may be. Section, subsection, clause, schedule, and exhibit references herein are to this Trademark Security Agreement unless otherwise specified. Any reference in this Trademark Security Agreement or in any Other Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). Any reference herein or in any Other Document to the satisfaction or repayment in full of the Obligations shall mean the repayment in full in cash (or cash collateralization in accordance with the terms of the Credit Agreement) of all Obligations other than unasserted contingent indemnification Obligations. Any reference herein to any Person shall be construed to include such Person's successors and assigns.
