## TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT ("Trademark Assignment"), dated as of July 13, 2016, is made between Railing Dynamics, Inc., ("Assignor"), a New Jersey Corporation formerly known as RDI Acquisition, Inc., in favor of Barrette Outdoor Living, Inc. ("Assignee"), an Ohio corporation.

**WHEREAS**, Railing Dynamics, Inc. is owned by Assignee through an acquisition that took place in 2012;

**WHEREAS**, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor the entire right, title and interest in and to the trademarks attached in Exhibit A ("Assigned Trademarks"), including all trademark rights in such trademarks whether registered or not.

**NOW THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment. Assignor hereby irrevocably conveys, transfers and assigns to Assignee all of Assignor's right, title and interest in and to the Assigned Trademarks, together with the goodwill of the business connected with the use of, and symbolized by, the Assigned Trademarks:

(a) all (i) trademarks, service marks, trade names, brand names, logos, trade dress and other proprietary indicia of goods and services of the Assignor, whether registered, unregistered or arising by any applicable law of any jurisdiction throughout the world and all registrations and applications for registration of such trademarks, including intent-to-use trademark applications, (ii) issuances, extensions and renewals of such registrations and applications, and (iii) similar intangible property and related proprietary rights, interests and protections, however arising, pursuant to any such law;

(b) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing;

(c) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by any applicable law of any jurisdiction throughout the world; and

(d) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Assignor authorizes the Commissioner for Trademarks of the USPTO and any other national, federal and state government officials to record and register this Trademark Assignment upon request by Assignee. Assignor shall execute any and all documents and take all other further actions as reasonably requested by Assignee to transfer ownership of the Assigned Trademarks including, but not limited to, assignments, transfers and related powers of attorney.

3. Representations and Warranties. Assignor hereby represents and warrants to Assignee as follows, as of the date hereof:

(a) All required filings and fees related to the trademark registrations listed on Exhibit A hereto have been timely filed with and paid to the USPTO and other relevant governmental authorities and authorized registrars, and all such trademark registrations and applications are otherwise in good standing. Assignor has provided Assignee with true and complete copies of file histories, documents, certificates, office actions, correspondence and other materials related to all such trademark registrations and applications.

(b) Assignor owns all right, title and interest in and to the Assigned Trademarks, free and clear of liens, security interests and other encumbrances. Assignor is in full compliance with all legal requirements applicable to the Assigned Trademarks and Assignor's ownership and use thereof.

4. General.

(a) Entire Agreement. This Trademark Assignment, together with all related exhibits and schedules, constitutes the sole and entire agreement of the parties with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings and agreements, both written and oral, with respect to such subject matter.

(b) Successors and Assigns. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

(c) Governing Law. All matters arising out of or relating to this Trademark Assignment shall be governed by and construed in accordance with the laws of the United States and the internal laws of the State of New Jersey without giving effect to any choice or conflict of law provision or rule.
